Objectives and Activities:

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	The prevention or relief of poverty throughout England by providing support packages, material resources, items and services to children and families in need.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<p>Adewunmipraise Foundation focused on improving the life chances of children and families experiencing poverty and hardship.</p> <p>The Foundation offered a network of community provisions which provided poverty relief, in the public interest, to children and their families, especially during COVID time.</p> <p>During this period, we received a fund from Tesco community grants, Arnold Clark grant which was used to facilitate a COVID-19 relief project to support low-income families and single parents in Medway. We ran home delivery services to deliver foodstuff and other items to families.</p> <p>The requests received in this period were overwhelming, especially from parents who were struggling with electricity and gas bills due to an increment in energy prices and cost of living.</p> <p>We endeavour to make our services inclusive across Medway by welcoming people of all races, ethnicities, religious beliefs, genders, sexual orientations, and ages.</p>

		<p>We promoted and used the strengths within our communities by engaging with other service providers such as Medway Foodbank, The Medway Hygiene Bank, West Kent Housing, In-kind Direct, and Cooperative to improve the lives of children and families.</p>
<p>A statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit</p>	<p>Para 1.18</p>	<p>The Foundation worked diligently to deliver high-quality provisions that support children and families who have experienced poverty due to the high cost of living and prices so that we can restore their fundamental right to have a better life at the tie of contact.</p> <p>As a result of this, the foundation, has all the necessary updated policies, such as Children's safeguarding, Vulnerable adult safeguarding, Code of conduct, GDPR, and reports and complaints. Also, the foundation has a Safeguarding lead who ensures that all policies are adhered to.</p> <p>The foundation is an active member of the National Council for Voluntary Organisation</p>

Achievements and Performance

	SORP reference	
--	----------------	--

<p>Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.</p>	<p>Para 1.20</p>	<p>In this second year of operation, we continue to run the COVID-19 relief programme in Medway by delivering support packages such as foodstuff, clothing, toiletries, household provisions, and other items (e.g. baby items for new parents; maternity items for pregnant women) to low-income families and single parents who are severely impacted by the high cost of living and energy prices.</p> <p>During this time, we also managed to get donations from families and friends to support the good cause.</p> <p>With the fund received from Tesco Community grants, Arnold Clark and the general public, we were able to distribute support packages to families (average children of 215 and 97 adults) in Medway i.e. the total number of people who benefited from this programme was 312 including the children.</p> <p>These support packages made a huge difference for low-income families and single parents in Medway especially with the knock-on effect of high cost of living and energy prices, giving them practical help and hope.</p> <p>In furthering the object of the Foundation, we made connections with different networks in Medway such as Medway Voluntary Action, Mid-Kent Housing Association Wellbeing Team, Family Hub, and Foodbank for signposting and referrals so that the beneficiaries can continue to access longer-term support and solutions.</p> <p>We endeavour in the coming year to support more families.</p>
