We at Ten Count CIO are beyond excited to share the incredible impact funding has had on our community. What started as a vision to transform lives through boxing has blossomed into something truly extraordinary and we couldn't have done it without the funding support. Funding has been the knockout punch that's allowed us to smash every single one of our goals and celebrate achievements we once only dreamed of.

From a Boxing Gym to a Community Centred Powerhouse
We started as a boxing gym, passionate about the sport, but with a deep-seated desire to do more for our community. By combining the diverse strengths of our team, which includes rich lived experience alongside professional qualifications ranging from electrical engineering to Early Childhood Development-we've been able to add incredible value that truly sets us apart. This means we're perfectly equipped to support and celebrate every unique individual who steps into our gym. Our mission has always been to be a centre for and about the people and this year, we've not just met our goals, we've celebrated them by smashing all expectations.

Expanding Our Reach: More Activities, More Impact.
Originally, our gym offered 6 core boxing classes: Kids Only, Women Only, Killer Circuit, Amateur, and Beginner Boxing. But thanks to crucial funding and invaluable feedback from our community, we were able to launch an additional 6 life-changing activities!

We then proudly offered:

Free Mental Health Chat for all ages
Free Space / HAF Sessions (term times)
Free Girls Sing Sessions for ages 6-17yrs
Free Round 1 Confidence Class
Free Group SEN Sessions
Free Chair Fit Classes
15 classes, sessions, and activities, and we have been bursting with pride to say that 90% of all classes are full to capacity (unless it's a really sunny day). We're truly unique as the only boxing gym successfully offering such a diverse range of impactful activities.

Unlocking Even More Potential: A 24-Hour Hub of Hope
Our funding has allowed us to extend our reach even further, completing a full 24 activities that truly cater to every need in our community as we now also offer:

Kids Club for ages 6-11 yrs
Youth Club for ages 11-17 yrs
Girls Dance for ages 6-17 yrs
Individual 1-2-1 SEN Sessions
Youth Gym where young people can access the gym for free with coach supervision
Facilitating both regular and advanced DBS checks for the general public

Hosting Work Experience opportunities
C-Carded for over 16's FREE

Offering print work and print to sell.
We have also extended our operating hours, with the gym now open from 6 AM to 10 PM, providing greater flexibility for those working, stay-at-home parents, or individuals seeking a quieter gym environment.

We started attracting 10 to 15 young people on average per session however our class is now at capacity with each session bringing in 30 to 45 young people.

Spreading Our Wings: Reaching Beyond Our Walls
The support we have received and dedication of staff also allowed us to branch out and host free sessions in our surrounding communities that include:

Multi-sports sessions
Kids Clubs for various ages
Another Girls Dance group
Friday Night Takeover for youths aged 11-17 yrs

Funding has allowed us to take our young people on a weekend trip to Stanley head where again core memories were made as the young people got to throw axes, zip line, mountain climb, archery and so much more.

The funding for our building refurbishment has allowed us to welcome SEN in our new sensory play room, Music in our new music room, chill and education in our new library/study/meeting room, youth activities in our revamped youth room, easy access for in our disabled showers, toilets and soon to be erected kids play area.

Empowering Our Community: Jobs, Skills, and Unforgettable Memories
Funding has also allowed us to hire and upskill local seasonal staff, providing them with invaluable experience and developing skills for future career opportunities within and beyond Ten Count as we are not just about jobs but about building futures.

One of the most heartwarming impacts from the past year has been enabling us to run free trips for our members and the immediate community. Our first trip brought us some truly humbling feedback.
A gentleman, bringing his grandson, expressed his profound gratitude for the free trip. He shared how he had never stepped out of Bentilee, never been on a coach and never been to the beach. Feeling the sand on his toes and seeing the sheer joy in his grandson's eyes was, in his words, "magical."

As someone who has traveled extensively, hearing this humbled me deeply and created a core memory I will appreciate forever. All the families on that trip were able to make wonderful, lasting core memories thanks to our funding. We are excited to announce that we now plan to run this trip annually, allowing even more families to experience these unforgettable moments.

Free family fun days saw our gym packed with familiar and new faces for a fun filled day with something for everyone to do.

Thanks to our funding, a trip to a local horse stable proved transformative for a group of our girls from Ten Count. For many, it was their first encounter with horses, and initial fear was evident.

However, under expert guidance, they learned to interact with these magnificent animals. Hesitation turned into confidence and by the end, the girls who arrived scared left feeling **comfortable and confident around the horses**.

This funded trip was more than just overcoming a phobia, it was about confronting the unknown, building personal strength, and shattering preconceived notions about their capabilities. It created a lasting positive impact on their lives.

Our Free international mens day where we welcomed 11 yrs and older for open discussion, engaging chats and advice, celebrated men's positive contributions and addressed issues disproportionately affecting them. Our activities included promoting positive male role models, acknowledging men's societal contributions, raising awareness for men's health and well-being (including mental health and suicide rates), highlighting discrimination men face, improving gender relations and fostering a safer world for all. We had open discussions about masculinity, challenged stereotypes, advocated for men's well-being resources, and celebrated the diverse positive roles men play in society.

Round 1: From Disruptors to Role Models

Originally conceived as a session for uncooperative youth, 'Round 1' quickly transformed into a powerful confidence class for all. We identified that the core of their challenges—whether they were the bully or the bullied—stemmed from low self-esteem and low self-worth. Through this program, we've had the privilege of witnessing incredible transformations in several young men. They began as disruptive influences in the neighborhood, but through 'Round 1', have learnt discipline, the joy of hard work, accomplishment, comradery, having a voice, expression, reflection, alternate ways to communicate and express anger.

They were listened to, they were appreciated, they were heard and they accepted change and growth. And Round 1 continued even without funding as Max (our boss) wanted to make sure they had someone to turn to. Those young men returned to apologise to the businesses they targeted, started voluntarily cutting grass, cleaned streets and took immense pride in themselves, pursuing dreams like joining the army and becoming inspiring role models for their peers all through the power of boxing.

Funding allowed us to take those young men to the Birmingham Arena (out of 9, only 2 had been before), to a restaurant (7 young people had never been to one before), and out of Stoke (2 had never left Stoke). These young men are all aged between 15 and 18, and we are so proud to not only have helped them but to again help create core memories for them all.

Safe Spaces, Full Bellies, and New Horizons
Our youth groups provide a safe, fun, and engaging place for neighborhood children to be, keeping them off the streets. Snacks, arts and craft items, physical fitness and play equipment are also provided – something we sometimes take for granted, but for many, it's a vital need.

Funding has also allowed us to engage other organisations that young people would never normally encounter, like forest school activities, opening up brand new worlds for them. We've also been able to take the young people from our youth group on trips, some of whom have never had a holiday before. We took them bowling and ice skating, most of the young people never ice skated before and were overjoyed. Their excitement, joy and wonder was palpable.

Funding enabled us to provide meals, presented as a cooking lesson, so we could feed young people who sometimes miss meals. This has been a very humbling experience for me and our team, but one that has been layered with immense joy, profound growth and the incredible satisfaction of making a real difference in the young people's lives.

We have been allowed to upskill our staff

Looking Ahead: Even More to Come
We're even working on a FREE Kids After School Club, which we hope to launch soon!

We are proud that Ten Count has truly transformed lives, built stronger communities, and created countless core memories that will last a lifetime. We are deeply thankful for the contributions of all our funders and look forward to continuing this vital work.

2 INCOME

This standard list of accounting policies has been applied by the charity except for those ticked "No" or "N/a". Where a different or additional policy has been adopted then this is detailed in the box below.

		Yes	No	N/a
Recognition of income	These are included in the Statement of Financial Activities (SoFA) when: • the charity becomes entitled to the resources; · it is more likely than not that the trustees will receive the resources; and • the monetary value can be measured with sufficient reliability.	✓		
Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.	✓		
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).	✓		
	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).	✓		
Legacies	Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.			✓
Government grants	The charity has received government grants in the reporting period			✓
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.		✓	
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.	✓		
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.			✓
	The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.			✓
	Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.			✓
	Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.			✓
	Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.			✓
Donated services and facilities	Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.			✓
	Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.			✓
Support costs	The charity has incurred expenditure on support costs.	✓		
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.	✓

Income from membership subscriptions	Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies.			✓
	Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.	✓		
Settlement of insurance claims	Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP) and are included as an item of other income in the SoFA.	✓		
Investment gains and losses	This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.			✓

2.3 EXPENDITURE AND LIABILITIES

		Yes	No	N/a
Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.	✓		
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.	✓		
	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.	✓		
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.			✓
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.			✓
Redundancy cost	The charity made no redundancy payments during the reporting period.			✓
Deferred income	No material item of deferred income has been included in the accounts.	✓

Stocks and work in progress	Stocks held for sale as part of non-charitable trade are measured at the lower or cost or net realisable value.				✓
	Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock.				✓
	Work in progress is valued at cost less any foreseeable loss that is likely to occur on the contract.				✓

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

[The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of ~~[insert name of applicable listed body]~~. Delete [] if not applicable:] CIMA, AAT

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination ~~(other than that disclosed below**)~~ which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns ~~and have~~ come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
