A Year of Transformation, Growth and Community Impact

At Ten Count Boxing Gym CIO, we are immensely proud to share the extraordinary impact that funding has enabled within our community. What began as a simple vision—to change lives through boxing—has evolved into a powerful, multi-layered community movement. Funding has been the driving force behind this transformation, allowing us to exceed every target, expand our reach, and deliver life-changing opportunities for people of all ages.

From Boxing Gym to a Leading Community Powerhouse

Ten Count started as a boxing gym with a passion for sport and a deep commitment to supporting local people. Over time, our team's diverse strengths have shaped us into a centre that celebrates and supports every individual who walks through our doors.

Our mission has always been clear: to be a space built for the community and powered by the community. This year, we didn't just meet our goals—we surpassed them, delivering impact far beyond what we once imagined.

Broadening Our Provision: Increasing Activities to Maximise Community Impact

Ten Count previously offered Five core boxing classes; however, we have now refined this to four core sessions while significantly increasing the number of free, fully funded classes available to our community.

- Kids Only
- Killer Circuit
- Amateur Boxing
- Beginner Boxing

Thanks to vital funding and invaluable community feedback, we expanded our programme to include ten additional activities, all designed to meet real needs:

- Free Mental Health Chats (all ages)
- Free Space / HAF Sessions (term time)
- Free Girls Dance Sessions (ages 6–17)
- Free Kids Club Sessions (6-11)
- Free Youth Club Sessions (11-17)
- Free Round 1 Confidence Class
- TCC Free sessions for looked after young people
- Free After School Club (11-17)
- Free Group SEN Sessions
- Free Chair Fit Classes

With 23 sessions running weekly, 75% of our classes consistently reach full capacity—an achievement that sets us apart as the only boxing gym offering such a diverse and impactful programme.

Maximising Our Impact: Developing a Fully Accessible, All-Day Community Hub

Funding enabled us to grow even further, expanding our offer to a total of 24 activities that cater to a wide range of needs:

- Kids Club (ages 6–11)
- Youth Club (ages 11–17)
- Girls Dance (ages 6–17)
- Individual 1-2-1 SEN Sessions
- DBS Checks (standard and enhanced)
- Work Experience Placements
- YMCA Youth Ambassador
- C-Card Provision (16+)

Youth engagement has grown dramatically— With up to **30–45 young people** attending sessions.

Broadening Our Footprint: Delivering Meaningful Impact Across Local Neighbourhoods

Funding and staff dedication allowed us to deliver a wide range of **free outreach sessions** across surrounding communities, ensuring that young people who may not be able to travel to the gym still have access to safe, structured and positive activities. These sessions included:

- **Multi-sports sessions** that encouraged physical activity, teamwork and confidence.
- **Additional Girls Dance groups** offering a supportive space for creativity, expression and friendship.
- **Friday Night Takeover** for ages 11–17, providing a safe alternative to street activity during high-risk hours.

These outreach programmes have strengthened community connections, reduced isolation, and ensured that young people across multiple neighbourhoods can access high-quality, free provision.

Funding also enabled us to take **20 young people from our Fenton Manor multi-sports sessions** on a fully funded residential trip to **Stanley Head**. The weekend proved genuinely transformative. Young people immersed themselves in team-building challenges, confidence-boosting activities and outdoor adventures that encouraged them to step outside their comfort zones. Through climbing, problem-solving, group tasks and shared achievements, they strengthened communication skills, built trust within their group and discovered new confidence in themselves — all while having fun.

The trip supported young people to develop:

- **Teamwork** — through group challenges that required communication, trust and cooperation.
- **Confidence** — as they attempted activities they never imagined they could achieve.
- **Resilience** — by tackling physical and mental challenges in a supportive environment.
- **Positive peer relationships** — strengthened through shared experiences, laughter and collective success.

For many, it was their first time taking part in structured outdoor adventure activities. The pride, joy and sense of accomplishment were evident throughout the weekend. The memories created at Stanley Head will stay with them for years, highlighting the importance of accessible, funded opportunities for young people who rarely have the chance to experience residential outdoor programmes.

A Refurbished Space Built for Everyone: Continuous Development to Meet Community Needs

Building refurbishment funding has transformed our facility into an inclusive, multi-purpose community hub designed to meet the diverse needs of children, young people and families. Our upgraded spaces now include:

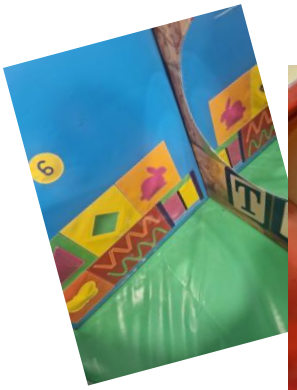

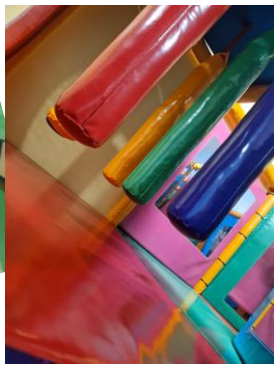

- **Sensory Play Room** for SEN, offering a calming, therapeutic environment.
- **Library / Study / Meeting Room** providing a quiet space for learning, tutoring, meetings and personal development.
- **Revamped Youth Room** equipped for socialising, games and structured youth activities.
- **Accessible Showers & Toilets** ensuring dignity, comfort and full inclusion for all visitors.
- **Fully Equipped Music Room** featuring modern instruments, a professional sound booth and DJ decks, giving young people access to creative, expressive and skill-building opportunities in music production, performance and recording.(Opening Soon)

Alongside these completed improvements, we are continuing to invest in the development of our building. A brand-new **Soft Play Area** is currently being built and will soon provide a safe, stimulating and accessible space for younger children to play, explore and develop. This addition will further strengthen our ability to support families with early-years children and create an environment where every age group has a place to belong.

These improvements have allowed us to welcome more families, more young people and more individuals with additional needs, creating a safe, accessible and inspiring environment where everyone can participate, grow and belong.

Strengthening Our Community: Developing Skills, Expanding Employment, and Enriching Lives

Funding enabled us to hire and upskill local seasonal staff, giving them valuable hands-on experience and opening doors to future career opportunities both within and beyond Ten Count. This investment in local people has strengthened our workforce, increased our capacity, and ensured that our programmes are delivered by individuals who truly understand and care about the community we serve. For us, it has never been just about providing jobs — it has always been about building futures.

Our free family fun days brought together familiar and new faces, filling the gym with laughter, activities and a powerful sense of community spirit. These events created safe, joyful spaces where families could connect, children could explore, and everyone could feel part of something bigger.

.

Round 1-Turning Energy into Example

Round 1 began as a session designed for young people who were struggling with behaviour, boundaries and engagement. Very quickly, it grew into a powerful confidence-building programme that supported **children and families of all ages, genders and backgrounds**. We recognised that both those displaying challenging behaviour and those experiencing it often share the same underlying issues: **low self-esteem, low self-worth and limited access to positive outlets**.

Through **Round 1**, young people developed **discipline**, **teamwork**, **communication skills**, **self-reflection** and **healthy emotional expression**. They were given space to be heard, understood and supported — and they responded by embracing change with maturity, pride and a renewed sense of belonging within their families and community.

Even after funding ended, **Max**, one of our founders, continued delivering Round 1 voluntarily to ensure these young people — and their families — always had someone consistent to turn to. His commitment meant the programme didn't just survive; it continued to shape young people into respectful, motivated and community-minded role models who positively influence those around them.

Where Safety Meets Support — and New Horizons Begin

Our youth groups continue to provide a safe, welcoming and engaging environment for local children and young people—a place where they can belong, have fun and stay off the streets.

We offer snacks, arts and crafts, fitness activities and play equipment, all of which may seem small to some, but for many of our young people, these resources meet essential needs.

Funding has also enabled us to collaborate with organisations that our young people would never normally encounter, opening doors to brand-new experiences and opportunities. We have been able to take our youth group on trips—some of the young people had never been on a holiday before.

Looking Ahead: Even More to Come

We are excited to share that we are currently developing a **FREE Gaming and Gym Club for young people**, which we hope to launch very soon. This new offer will provide a safe, structured and enriching environment during the crucial hours after school — giving young people positive choices, positive spaces and positive influences.

The Gaming & Gym Club will allow young people to **sit, relax and socialise with friends through gaming**, offering a calm, supervised space where they can unwind, connect and build friendships. Alongside this, they will also have access to our **fully equipped gym**, supporting them to improve both their **physical health** and **mental wellbeing**. Whether they want to chill out or work out, this club will give them a place to belong, grow and feel supported.

Our team continues to expand its skills, qualifications and professional development, ensuring we can deliver high-quality support across every programme we offer. Investing in staff has been essential to our growth, enabling us to meet the diverse needs of children, young people and families with confidence, compassion and expertise.

We are proud that Ten Count Boxing Gym CIO has transformed lives, strengthened neighbourhoods and created countless core memories that will last a lifetime. This impact has only been possible because of the generosity of our funders, partners and supporters. Your contributions have helped us build a safe, inclusive and empowering space where people of all ages and backgrounds can belong, grow and thrive.

As part of our continued development, we are excited to be **opening a brand-new cinema room**, giving young people and families a comfortable, creative and accessible space to enjoy film nights, workshops and community events. Alongside this, we are working in partnership with **Alice Charity** to develop a **community garden within our grounds**, creating a peaceful outdoor space where families can grow food, learn new skills and connect with nature.

These new additions will further strengthen our offer and deepen our impact across the community.

As we look to the year ahead, we remain committed to expanding our reach, developing new opportunities and continuing this vital work. With your support, we will keep pushing forward — creating stronger communities, brighter futures and even greater impact

Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.	✓		
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).	✓		
	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).	✓		
Legacies	Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.			✓
Government grants	The charity has received government grants in the reporting period			✓
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.		✓	
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.	✓		
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.			✓
	The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.			✓
	Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.			✓

	Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.			✓
Donated services and facilities	Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.			✓
	Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.			✓
Support costs	The charity has incurred expenditure on support costs.	✓		
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.	✓

	Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.	✓		
Settlement of insurance claims	Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP) and are included as an item of other income in the SoFA.	✓		
Investment gains and losses	This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.			✓

2.3 EXPENDITURE AND LIABILITIES

		Yes	No	N/a
Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.	✓		
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.	✓		
	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.	✓		
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.			✓
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.			✓
Redundancy cost	The charity made no redundancy payments during the reporting period.			✓

Note 29 Additional Disclosures

The following are significant matters which are not covered in other notes and need to be included to provide a proper understanding of the accounts. If there is insufficient room here, please add a separate sheet.

Independent examiner's report on the accounts

Section A **Independent Examiner's Report**

Report to the trustees/ members of	Charity Name Ten Count Boxing Gym CIO		
On accounts for the year ended	30th September 2025	**Charity no (if any)**	1191711
Set out on pages	(remember to include the page numbers of additional sheets)		

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
   - to keep accounting records in accordance with section 130 of the Charities Act; and
   - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act

   have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
