PIONEER MISSION

REPORT OF THE TRUSTEES **for the year ended 31 March 2023**

The trustees present their report with the financial statements of the charity for the year ended 31 March 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

Pioneer Mission is a registered charity. It was originally registered as a Charity on 8 October 2020.

As detailed in its governing documentation the charity has the following charitable objects:

To advance the Christian Faith for the benefit of the public in the United Kingdom and in such other parts of the World as the trustees may from time to time think fit, in particular but not exclusively through:

Raising awareness of the Christian faith and the need for new churches through meetings, conferences, print and online publications;

Providing training, resources, coaching and ongoing support for those involved in planting new churches;

Supporting the establishment of new Christian church plants.

Significant activities

This period has been focused on moving the charity from an 'establishing' phase to a 'normalising' phase where it can effectively put into place an ongoing framework of activity to **see 20 churches established in each of the 50 European nations by 2050.**

While building good governance foundations has continued, the focus has moved to multiplication, strategically looking at how we can multiply our team and resources to help inspire and train others to fan into flame their leadership gifts and heart to plant churches in Europe.

Much of our activity has been carried out in partnership with other UK and Overseas charities, key partnerships include: Relational Mission, Revelation Church (London), Lighthouse Community and Newfrontiers, to name just a few.

The period up to 31 March 2023 has seen some significant steps taken, with Maurice and Rachel Nightingale continuing to spearhead our work into Europe, enabling much of this activity to take place.

Examples of what has been achieved with reference to our charitable objectives are as follows:

Awareness Raising

- o Prayer Initiatives both for specific plants (Zeeland) and for specific languages / Nations (Germany & Netherlands) have been held to both raise awareness, but also to lay important prayer foundations for our pioneering activity.
- o Pioneer Europe Conference in partnership with Relational Mission & New Ground Churches was organised and facilitated by the charity. This was an in person event in Malaga, Spain with the aim of inspiring people to church plant into Europe and to encourage / strengthen those already doing so. Over 100+ people attended the event.
- o We partnered with the European Leaders Forum (ELF) and Relational Mission to deliver 2 networks on Church Planting and Leadership, with the aim of establishing connections with Christians across Europe to break through into new nations.
- o We have continued the process of developing language specific media teams to help translate key resources and messages into local languages. This is critical as overcoming language barriers and restrictions is a key factor for the success of the mission.

All in all (considering the activities detailed below also) awareness of our mission to Europe has been directly raised to 1,500+ individuals, across 17+ Nations in Europe.

PIONEER MISSION

REPORT OF THE TRUSTEES **for the year ended 31 March 2023**

OBJECTIVES AND ACTIVITIES

Training, Resourcing and Coaching

- o 'Called to Go' programme of training (online and in person) has been established to engage those at the beginning of their pioneering journey. This year 30+ pioneers have been helped and supported, with 8 of those moving to mainland Europe to either establish or join a church plant, with another couple looking to relocate in the coming year.
- o Eldership Training has been delivered to churches in Germany, Netherlands and Sweden to establish strong eldership teams and enable the churches to become self-governing. An eldership team at Grace Church Stockholm was set into place during this period also.
- o Added to the above, many one to one / small coaching sessions have been delivered with existing and emerging leaders across Europe, to help disciple and inspire them in their ministry.

It is estimated that 225+ individuals have been helped in this way.

Supporting Church Plants

- o Dedicated time was spent by Maurice and Rachel Nightingale 'on the ground' in the Netherlands, Serbia and Sweden to;
 - o strengthen local churches and key leaders.
 - o to work with local leaders to strategise and plan for expansion in their own communities and beyond in terms of new church plants and being 'Hubs' of connection across their nation.
- o As part of our goal to establish local-language translocal teams to serve churches in each European nation, we achieved our first milestone, with the first of these teams being formed and legally established in the Netherlands. This will act as a model for further teams to be developed.
- o The Netherlands also saw the newest church plant go live, in Nijmegen, which has been supported both financially and practically by the charity.
- o Support has also been given to many existing church plants and developing situations across Europe through the Lighthouse Community (in post communist nations) and directly via team days, preaching and coaching

Overall, including the above 30+ churches/plants have been directly invested in over the year.

Public benefit

In planning and undertaking activity above the Trustees have had due regard to the guidance on public benefit issued by the Charity Commission.

Grantmaking

Pioneer Mission works with churches and charities worldwide and where these contacts are able to fulfil the objectives of the charity more ably, or maintain closer working links with activities or projects, grants are sometimes provided. These are made in line with the charity's grant framework and financial policy.

FINANCIAL REVIEW

Financial position

Pioneer Mission is financially dependent upon the donations made by supporting churches, individuals, grants from charitable trusts and income generated via events.

Pioneer Mission Trustees and team would like to thank all the churches, individuals and organisations that have supported the charity throughout the year.

During the year Pioneer Mission had income of £165,368 (2022: 145,825), £26,764 (2022: 52,236) of which was for restricted purposes.

Expended resources for the period were £147,157 (2022: £45,063) in total of which £38,813 (2022: £nil) were restricted.

At the end of March 2023 Pioneer Mission had a surplus of £18,090 (2022: £100,762) with a deficit of £12,049 (2022: £52,236) restricted.

Investment policy and objectives

Pioneer Mission has no investment policy as it currently does not intend to make any investments. This approach is reviewed yearly.

REPORT OF THE TRUSTEES **for the year ended 31 March 2023**

FINANCIAL REVIEW

Reserves policy

On an ongoing basis the Trustees consider the level of reserves they wish to retain, appropriate to the Charity's needs and circumstances. This is based on the charity's size and level of commitments held. The Trustees endeavour not to set aside funds unnecessarily.

The Trustees aim to ensure the charity will be able to continue to fulfil its charitable objectives even if there is a temporary shortfall in income or unexpected expenditure. In doing this the Trustees aim to make sure that the current budget forecast and reserves levels allow the charity to continue in operation for a rolling 12 month period. This is reviewed at a minimum at two points within the financial year.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a constitution, and is a Charitable Incorporated Organisation (CIO).

Management structure

Five trustees have run Pioneer Mission over this reporting period, each with differing backgrounds and expertise that can contribute to the delivery of the charity's objectives.

The policy and key operating decisions (i.e. budget setting, risk management) of the charity rest with the trustees who meet regularly to monitor the activities of the charity. Day to day operation has been delegated to the Operations Team.

Over the last year, Pioneer Mission has not directly employed staff, but has delivered its activities through retained consultants and volunteers.

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

The Trustees have and continue to review the major strategic, business and operational risks, which a small charity with few employees is likely to be exposed to. A framework has been established and procedures are in place to identify, monitor and review these risks on a regular basis.

All major insurable risks have been covered by the charity's insurance coverage. Contracts and associated risks are reviewed before being finalised to ensure they do not significantly impact (negatively) upon the charity's ability to fulfil its objectives.

The Charity has all required policies in place (as per Charity Commission guidelines) and no significant material issues arose during the year in relation to these policies.

TRUSTEES' RESPONSIBILITY STATEMENT

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

TRUSTEES' RESPONSIBILITY STATEMENT - continued

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
PIONEER MISSION**

Independent examiner's report to the trustees of Pioneer Mission

I report to the charity trustees on my examination of the accounts of Pioneer Mission (the Charity) for the year ended 31 March 2023 on pages 7 to 15 following, which have been prepared on the basis of the accounting policies set out on pages 9 to 10.

Responsibilities and basis of report

As the charity trustees of the Charitable Incorporated Organisation you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all applicable directions given by the Charity Commission under section 45(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

PIONEER MISSION

NOTES TO THE FINANCIAL STATEMENTS **for the year ended 31 March 2023**

1. ACCOUNTING POLICIES

Basis of preparing the financial statements and assessment of going concern

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

The Charities (Accounts and Reports) Regulations 2008 (the '2008 Regulations') requires charities to prepare their accounts in accordance with 'Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005' but this accounting standard has since been withdrawn and has been replaced by the Charities SORP mentioned in the preceding paragraph. The charity has prepared these financial statements in accordance with the new Charities SORP; this departure from the 2008 Regulations is believed to be necessary for these financial statements to give a 'true and fair view'.

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern. Therefore the financial statements are prepared on a going concern basis.

The financial statements are presented in sterling (£).

The charity has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland':

- the requirements of Section 7 Statement of Cash Flows;
- the requirement of paragraph 3.17(d);
- the requirements of paragraphs 11.42, 11.44, 11.45, 11.47, 11.48(a)(iii), 11.48(a)(iv), 11.48(b) and 11.48(c);
- the requirements of paragraphs 12.26, 12.27, 12.29(a), 12.29(b) and 12.29A;
- the requirement of paragraph 33.7;
- the requirement of paragraph 24(b) of IFRS 6.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Income from charitable activities represents income receivable from goods, services and facilities supplied in furtherance of the charity's charitable objects. It includes income from support for pioneering situations, reimbursement of expenditure incurred and amounts received toward future pioneering costs.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Details of individual grants and payments made are not included in the financial statements in accordance with Charity SORP 16.21. The trustees confirm that appropriate due diligence is carried out on all payments to third parties and that a full list of recipients can be obtained upon request.

Taxation

The charity is exempt from tax on its charitable activities.
