TRUSTEES REPORT

The Vizsla Health Trust was set up in October 2020 and exists to promote and support scientific research into genetic diseases affecting Hungarian Vizslas. Our current focus is Vizsla Inflammatory Polymyopathy (VIP) – and this has been the subject of an ongoing research project.

In 2022 Manchester University confirmed that they will no longer be sponsoring and partially funding this work. The news was not surprising given the downward trend in research funding generally. Our priority now must be to safeguard and consolidate the work that has already been done and thereafter to engage alternative research interest. To this end we are in discussion with the Kennel Club Genetics Centre, at Cambridge University.

The year also brought with it the opportunity to liaise with the Kennel Club on the subject of the UK Vizsla's most significant health problems, both in terms of impact and prevalence. These discussions, jointly with the Breed Health coordinator, resulted in significant revision of the KC Vizsla Breed Health and Conservation Plan. The purpose of this project is to ensure that all health concerns for a breed are identified through evidence-based criteria, and that breeders are provided with useful information and resources to support them in making balanced breeding decisions that make health a priority.

The revised Vizsla BHCP was published in early 2022 – and it clearly sets out the priorities and action to be taken both by the Breed Clubs and the Kennel Club in order that concerns can continue to be monitored and addressed.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 30 October 2022

Responsibilities and
basis of report

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
