Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	We have provided funds for events for a number of charities and schools reaching out to children with a variety of needs. We have sponsored visits to hospitals by actors and entertainers to provide relief to very sick children. We have organised events for charities within their premises and in hired premises reaching out to SEND children and carer children who otherwise have very little opportunity to benefit from drama therapy. We have reached out to thousands of school children in the Merton area through the Merton council who ask for events to take place in Merton Art Space for local schools which do not have the funds to organise trips for the children attending. These take place particularly around World Book Day and Christmas. All events are organised in conjunction with the charities or council with regard to any qualifications or vetting required for the artists and entertainers. The charities and the council have provided feedback confirming the benefit to the children of such events and how they help to alleviate any hardships these children are enduring.
