

Fisayo Foundation, established as a Charitable Incorporated Organisation (CIO) on October 12, 2020, operates throughout England to provide advocacy, advice, and information aimed at uplifting and empowering individuals in need. Our charitable efforts focus on improving social welfare, targeting individuals affected by youth, age, infirmity, disability, financial hardship, or challenging social circumstances. With a commitment to serving people of particular ethnic or racial origins, as well as the broader public, the foundation seeks to enhance living conditions and provide opportunities for recreation and leisure. While not recognised by HMRC for Gift Aid, Fisayo Foundation transparently manages its resources, having received £509 and spent £444.88 between July 2022 and June 2023. Through meaningful advocacy and support, we are dedicated to making a positive impact on lives across England.
