Funding

The church received its funding from the membership who support the activities of the church.

Achievements and Performance

The church meets every Sunday with the 1st Sunday of the month being an in-person meeting held at Little Ilford Baptist Church while the other three Sundays are conducted on line via Zoom. The introduction of the online Services has widened the Church's reach to diverse audience all around the United Kingdom.

With the increased need for effective online meetings and services, we have managed to purchase technical equipment to elevate the quality of our online broadcasts.

We continue to support United Baptist Church in Zimbabwe (UBCZ)

The church made a donation to Harp, a charity that supports the homeless in Southend on Sea. In addition, we also assisted Elim Church in Weston Super Mare.

Attendance

In person attendance at Little Ilford Baptist Church remains low as members reside far away from East London.

Future Activities and Plans

1. We are planning to hold two major conferences a year and encourage members to attend in person.
2. We plan to continue supporting Harp of Southend
3. The United Baptist Church in Zimbabwe remains as a partner we work with in Southern Africa.

We remain grateful for what God continues to do in our lives with regards to sharing the Gospel of Jesus Christ.
