Achievements and Performance

The church continues to meet every Sunday on Zoom and Facebook Live which allows us to accommodate most of our members who reside outside London. On the 1st Sunday of every month, we gather in London and continue to fellowship together. We were also instrumental in helping Zimbabwean who arrived on work visa to settle in and find their feet in the UK relocation has its own challenges on families and individuals.

We continue to support our sister church United Baptist Church in Zimbabwe (UBCZ).

Attendance

We are pleased to note that we have seen an increase in both online and in person attendances. Those who have recently joined from Zimbabwe make an effort to attend. Our membership is still spread across England and hence the challenge of meeting in person every week.

Future Activities and Plans

1. We are still working on having two major conferences a year and encourage members to attend over three days.
2. We plan to register with the HMRC for us to get back the tax on the voluntary member contributions.
3. The United Baptist Church in Zimbabwe remains our partner we work with in Zimbabwe

We remain grateful for what God continues to do in our lives with regards to sharing the Gospel of Jesus Christ.
