Achievements and Performance

The church continues to meet Sunday on Zoom and Facebook Live. In person meetings are still taking place on the first Sunday of every month at Little Ilford Baptist Church in Manor Park, East London.

The Church held a conference at the Oak House in Kent from 26th to the 28th of July 2024 with the main speaker from our sister Church in the United States of America. Our church Pastor was ordained at this conference which was well attended. There was a good number of visitors from other denominations with many of them from the United Church of Christ of Zimbabwe.

We continue to support and work with our sister church United Baptist Church in Zimbabwe. (UBCZ).

Attendance

The online service is well attended as our membership is spread across the country. The church meets in person on the first Sunday of the month and the attendance is good considering the distances that some must cover.

Future Activities and Plans

1. We plan to hold two conferences per year to allow the membership to meet and fellowship together.
2. We are still waiting for HMRC to register the church for Tax rebates and will continue to work with the organisation we contracted to manage this.
3. We plan to continue to work with our partner in Zimbabwe, United Baptist

4. Church in Zimbabwe (UBCZ)
