Structure, governance and management

LOC Foundation is charitable incorporated organisation, were incorporated on 14 October 2020.

The day to day running of the charity is led by managing trustee, Mr Faisal Ali who manages the daily activities of the charity and management related tasks. Mr Ali also participates in fundraising for the charity and travels to places where charitable activities are undertaken.

Objectives and activities

The charity helps poor families, schools, children along the line of control. This ranges from sending clothes, provide stationery equipment for schools, providing medical aid and IT equipment for the poor.

The main objectives of the organisation are:

The prevention or relief of poverty amongst those living in Kashmir Nakyal Sector by the provision of grants of items, equipment and funds to relieve their needs and the relief and assistance of people in Kashmir Nakyal Sector, who are victims of war or natural disaster, trouble or catastrophe in particular by the supply of grants.

The relief of financial need and suffering among victims of natural or other kinds of disaster in the form of money (or other means deemed suitable) for persons, bodies, organisations affected in such ways as the trustees shall think fit.

LOC FOUNDATION

Trustees' Annual Report *(continued)*

Year ended 31 December 2024

Achievements and performance

In 2024, our primary project was the Janaza Gha in the village of Kenti, Nakyal sector. The goal was to assist the local community with burials, as their mosque was not suitable for conducting a proper funeral procession. Thanks to generous donations, the community in Kenti can now comfortably accommodate around 1500 people, allowing them to pay their respects to the deceased.

In addition to this, the LoC Foundation continued its efforts to provide clean drinking water for both the local community and the Jandrote hospital. Further donations were made to support the Free Kidney Dialysis Centre at the Nakyal hospital. Looking ahead, our focus will remain on providing water boreholes to areas in need and offering assistance to local hospitals and schools that require support.

Financial review

The Charity received donation and funds £12,545 during the period. Total outgoing resources amounted to £10,453 of which £9,833 relates to restricted charitable activities and £621 on the costs of running the office and on other Governance costs.

Total available funds at 31 December 2024 amounted to £16,649 of which £16,156 related to unrestricted funds and £493 was available for restricted purposes.

The Trustees are satisfied that the charity's activities during the period have met their objectives and are satisfied with the financial position at the period end.

The trustees' annual report was approved on 8 May 2025 and signed on behalf of the board of trustees by:

Mr S Ahmed

LOC FOUNDATION

Independent Examiner's Report to the Trustees of LOC FOUNDATION

Year ended 31 December 2024

I report to the trustees on my examination of the financial statements of LOC FOUNDATION ('the charity') for the year ended 31 December 2024.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

LOC FOUNDATION
Notes to the Financial Statements
Year ended 31 December 2024

1. General information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is 18 Chestnut Walk, Watford, WD24 6NS, England.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Judgements and key sources of estimation uncertainty

There are no material uncertainties about the charity's ability to continue.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

LOC FOUNDATION

Notes to the Financial Statements *(continued)*

Year ended 31 December 2024

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

LOC FOUNDATION

Notes to the Financial Statements *(continued)*

Year ended 31 December 2024

3. Accounting policies *(continued)*

Financial instruments *(continued)*

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.
