TRUSTEES' REPORT 2nd AUGUST 2023 - 1st AUGUST 2024

Objectives and activities

The purpose of Chaitech is to advance education in Artificial Intelligence (AI), Internet of Things (IoT) and mobile communications by means of providing assistance to children and other young people in the Eastern Caribbean who wish to start their own technology-based startup businesses or direct their technology skills towards improving services relevant for the general public, through mentoring, primarily by UK-based technology entrepreneurs and academics, and providing grants for software and hardware required to develop prototypes and proofs of concepts for their proposed solutions.

In pursuit of the above purpose, Chaitech in the year 2023-2024 performed the following activities:

- hosting an in-person workshop in Rodney Bay, Saint Lucia to prepare wireframes for "Nolaj" information app about Saint Lucia with a cohort of 5 young aspiring tech entrepreneurs,
- organising a stall at the school science fair in Castries, Saint Lucia to present the "Nolaj" information app demo to potential young aspiring tech entrepreneurs,
- operating an Instagram account (@chaitech_) to raise awareness on tech enterprise amongst the young people in the Eastern Caribbean.

The trustees have had regard to the Charity Commission's guidance on public benefit. We continue to regard the above purpose as publicly beneficial in terms of helping improve opportunities for youth technology-based enterprise in countries where resources in that area are limited. We could not identify any detriments arising from our pursuit of the above purpose.

Achievements and performance

Chaitech organised an in-person workshop in Rodney Bay, Saint Lucia to prepare wireframes for 'Nolaj', an information app about Saint Lucia, with a cohort of 5 young aspiring tech entrepreneurs. Chaitech further organised a stall at the school science fair in Castries, Saint Lucia to present the "Nolaj" information app demo to potential young aspiring tech entrepreneurs.

Financial review

Chaitech received a donation of £900 from Aphaia Limited. The science fair stall incurred minor organisational expenses. Other significant expenses were linked to accounting services and software.

Structure, governance, and management

Chaitech is a Charitable Incorporated Organisation and is governed by the Constitution of a Charitable Incorporated Organisation (CIO). New trustees may be appointed by the vote of the existing trustees, according to the CIO Constitution: "In selecting individuals for appointment as charity trustees, the charity trustees must have regard to the skills, knowledge and experience needed for the effective administration of the CIO." The aim is therefore to appoint trustees that represent a mixture of technology and business expertise, and that ensure a connection between the knowledge and experience base in the UK and elsewhere, and the community of aspiring young tech entrepreneurs in the Eastern Caribbean.

**CHAITECH
TRUSTEES' REPORT
FOR THE YEAR ENDED 31 AUGUST 2024**

The trustees presents their report and accounts for the year ended 31 August 2024.

Statement of trustees' responsibilities

The trustees are responsible for preparing the report and accounts in accordance with applicable law and regulations.

Company law requires the trustees to prepare accounts for each financial year. Under that law, the trustees have elected to prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these accounts, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Small company provisions

This report has been prepared in accordance with the special provisions relating to small companies within Part 15 of the Companies Act 2006.

Signed on behalf of the board of trustees
