Additional governance information

The charity operates in partnership with The Gospel Coalition, a charitable organisation based in the USA, which provides part of the funding for the appointment of the charity's sole paid post.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The purposes of the charity are the advancement of the Christian faith in accordance with the Basis of Faith, and such other charitable purposes as shall, in the opinion of the charity trustees, put into practice the Christian faith in accordance with the Basis of Faith, including but not limited to the prevention and relief of need, hardship and sickness and the advancement of education, in any part of the world.

Summary of the main activities undertaken for the public benefit in relation to these objects

Since the charity United for the Gospel Europe had only recently been established at the time of the period end date (31st July 2021), activities undertaken for the public benefit were only just beginning.

Such activities included equipping and training church leaders; providing seminars, conferences and other teaching; supplying resources which promote and advance the Christian faith; and offering access to resources in different European languages.

Because of the pandemic (Covid), and restrictions on travel, several conferences had to be postponed until 2022. However, remote instruction for leaders in several European countries was carried out through weekly Zoom meetings.

In the preparation of this report and the management of the charity's activities, the trustees have had regard to the guidance issued by the Charity Commission on public benefit.

Additional details of objectives and activities

Grants are issued, as appropriate, at the discretion of the trustees as exercised on a case-by-case basis.

Section D Achievements and performance

Summary of the main achievements of the charity during the year

Conferences and seminars in European countries;

Consultation by Zoom with several European church leaders (in Denmark, Sweden, Norway, Finland, Iceland, Faroe Islands, Croatia, Serbia, Montenegro, Bosnia Herzegovina, Albania, Poland, Portugal, Spain, Turkey);

Preaching in various churches in the UK;

Publication of helpful Christian resources, including both books and articles.

Section E Financial review

Brief statement of the charity's policy on reserves

Since the charity had only recently been established at the time of the period end date (31st July 2021), and the charity had yet to commence employing its one paid post (this being the charity's only ongoing financial commitment), a reserves policy was yet to be developed.

Further financial review details

Most of the charity's income during the period to which this report pertains consisted of one-off donations given to enable the charity to commence operations.

Ongoing funding is provided by The Gospel Coalition towards the cost of employing the charity's one paid post, supplemented by charitable giving from individual donors. This employment, and its associated ancillary costs, is the charity's chief source of expenditure. This paid post is responsible for the delivery of most of the activities identified above.

Section F Declaration

The trustees declare that they have approved the trustees' report above.

**Respective
responsibilities of
trustees and examiner**

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 ("the Charities Act") and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

**Basis of independent
examiner's statement**

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

**Independent
examiner's statement**

- In connection with my examination, no matter has come to my attention
1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
 2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
