Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	To promote the elimination of discrimination on the grounds of race and the encouragement of equality of opportunity between people of different racial groups within the community, particularly in the area of employment and training by: 1) conducting or commissioning research on equality and diversity issues and publishing the results to the public. 2) raising awareness of and providing training to address barriers to equality of opportunity in professional development in the workplace.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	Our aim and purpose in the sector will be to influence a cultural change and to take responsibility in supporting talent. The cultural change aims to achieve a sector-wide mindset change that understands and accepts that increasing diversity makes business sense and makes leadership teams more reflective of the communities they serve. We see our role as providing constructive challenge to the sector and providing the tools for organisations to implement change. The supporting talent strand focuses on the continued need to ensure that senior managers from an ethnic minority background can feel they are fully equipped to become sector leaders.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The main objective of the charity is to promote equality and diversity, achieving this through providing educational opportunities and promoting activities to foster understanding between people from diverse backgrounds. The trustees are confident in confirming that should any personal benefit arise from this, this will be incidental and can

		play a part in feeding into research on equality and diversity issues (in terms of case studies to raise awareness), whilst also providing stories of outcomes from activities that encourage understanding between people from diverse backgrounds - all of which we will be able to publish to the public to achieve our objects. The trustees have had regard to the guidance issued by the Charity Commission on public benefit.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	Following the inductions of the new Trustees, we had an away day in July 2021 to start developing our two-year business plan. We then had a further session in late September 2021 to finalise our key objectives and start looking at our operating model. During the reporting period, we have recruited an additional six trustees, carried out their induction and developed our business plan. Our business plan reinforces our aim to be the catalyst of cultural change to create a leadership of the housing sector that is ethnically diverse. Our aim and purpose in the sector will be to influence a cultural change and to take responsibility in

		supporting talent. The cultural change aims to achieve a sector-wide mindset change that understands and accepts that increasing diversity makes business sense and makes leadership teams more reflective of the communities they serve. We see our role as providing constructive challenge to the sector and providing the tools for organisations to implement change. The supporting talent strand focuses on the continued need to ensure that senior managers from an ethnic minority background can feel they are fully equipped to become sector leaders. We have had another cohort of six individuals successfully complete the leadership development programme. These individuals have completed the course and taken their learnings back to their workplaces and shared within their networks to bring about a public benefit. We are working with the trade press to increase the visibility of leaders from ethnic minority backgrounds in the written press and at conferences, with several Trustees sitting on their Editorial panel.

Section A Independent Examiner's Report

Report to the trustees/ members of: Leadership 2025

On accounts for the year ended: 31/03/2022 | **Charity no**: 1191851

Set out on pages: Sections A and B of the Receipts and Payment Accounts and copies of the grant funding agreements and letter of engagement for the current organisation. (remember to include page numbers of additional sheets)

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/03/2022.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

** Please delete the words in the brackets if they do not apply.*
