	SORP reference	
Policy on grant making	Para 1.38	During the year we partnered with other charities and community groups in several projects around the sale and recycling of waste items particularly scrap. This is shown as Joint Projects Share Outs in the accounts. Going forward we are looking to change our charitable objectives to allow greater support for local community groups and charities.

Policy on social investment including program related investment	Para 1.38	N/A
Contribution made by volunteers	Para 1.38	Cardiff Rivers Group is run entirely by volunteers. The Board consists of 11 members all of whom dedicate a significant amount of time to the charity. In addition, we now have in excess of 750 people on our distribution list and will regularly have over 40 people at our events. Details of their achievements are below.
Other		Once again, we would like to recognise the contribution made by numerous organisations over the year in supporting us.

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	For the year being reported on, we undertook 63 events resulting in 2025 volunteer hours. Our volunteers cleared the following from the waterways, parks and woodlands of Cardiff: 1648 bags rubbish 22 shopping trolleys 34 car tyres 18 cones 2 bikes We also recycled 75 tonnes of scrap metal. We also undertake, particularly in the winter months, a great deal of habitat management. This includes reed cutting in ponds, coppicing and removal of invasive species. We continued to support other charities and not for profit organisations via use of our vehicle, trailer and equipment. As an upper tier waste carrier, we are able to offer a risk-free service for organisations to dispose of their bulky waste for very little cost.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	The charity continues to be in a strong financial position. Overall unrestricted cash reserves grew by £4k. This is thanks to the generosity of our supporters both individuals and organisations. As such, the charity is able to cover its running costs for the foreseeable future. The trustees will continue to look at ways to best to utilise the reserves, secure the future of the charity and help in some small way to alleviate the effects of the cost of living and general austerity crisis being faced at the moment.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	The trustees are currently preparing a reserves policy as the level of reserves continues to grow.
Amount of reserves held	Para 1.22	£47,916
Reasons for holding zero reserves	Para 1.22	N/A
Details of fund materially in deficit	Para 1.24	N/A
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	N/A

The charity's principal sources of funds (including any fundraising)	Para 1.47	During the year the charity received funding from: • Tier (Next Bikes) • Euroclad • Sales of donated and recovered scrap metal
Investment policy and objectives including any social investment policy adopted	Para 1.46	N/A
A description of the principal risks facing the charity	Para 1.46	The charity is in a very strong financial position and thus funding is not seen as a significant risk. The charity is dependent upon Cardiff Council for the loan of a portacabin for storage of equipment, tools and items for recycling. Whereas this is gratefully acknowledged, it is a constraint on the charity developing further due to lack of power, workshop space or ability to house the boat and trailer with our other equipment. The ideal would be to have affordable, centralised accommodation

		where the Charity could store everything in one place and to repair items rather than have to recycle them. We continue to look at this ideally partnering with other charities. Circular Economy thinking is high on the political agenda and we hope to play a part in any pilot projects in Cardiff building on our significant experience in this area.
Other		Large, charity owned items such as the vehicle, trailer and boat need secure storage. These continue to be stored in a large, shared underground car park thanks to one of the trustees. If new accommodation is found, ideally, it would also allow for storage of the larger items.
