Whilst the majority of our members reside in the Midlands area we include members from around the country. The club meets virtually, online with occasional face to face events.

Community service projects have included litter picks, spectacle recycling and assisting with running local community events. Most of the clubs income has been generated through online events such as quizzes, murder mystery and donations from the Public.

Expenditure includes donation of planter box seats to dementia care home and donation to Lions clubs International Foundation (LCIF). Administration and governance costs include zoom licence to enable monthly meetings of members, subscription costs to lions clubs International. Note that all admin costs are supported through contributions from members through dues, fines and other individual contributions.

In total, income for this reporting period was £4269 and costs £3618. The primary focus for the charity is to support local community service with small donations to charitable causes for example LCIF as outlined above. LCIF responds to natural disasters around the world and providing awareness and support for health issues such as avoidable blindness.

Plans for the coming year include more community service projects, events and donation of planter seats to dementia care homes.
