**REPORT OF THE TRUSTEES
FOR THE PERIOD 19 OCTOBER 2020 TO 31 AUGUST 2021**

The trustees present their report with the financial statements of the charity for the period 19 October 2020 to 31 August 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Objectives and activities

The objectives of Wray Chapel are the advancement of the Christian faith in accordance with the Basis of Faith as set out in the Constitution primarily but not exclusively within Wray and the surrounding neighbourhood and communities; and such other charitable purposes as shall, in the opinion of the Charity Trustees, put into practice the Christian faith in accordance with the Basis of Faith, provided that the advancement of such purposes must be undertaken in a manner that is consistent with the Doctrinal Distinctives and Ethical Statements as may be adopted and amended by the Church from time to time in accordance with the provisions of the Church Handbook.

The Trustees confirm that they have referred to the guidance contained in the Charity Commission general guidance on public benefit when reviewing the Charity's aims and objectives.

While the Church does not have a formal grant making policy or a business plan, it supports those engaged in Christian or missionary work as well as those in financial need. Individuals and organisations are selected by the recommendation of the Trustees. They will be like-minded in their approach to the work of the Gospel and in financial need, or they will be individuals or organisations who find themselves in need of help or are helping others in need.

The Church benefits from many voluntary hours and unclaimed out of pocket expenses, contributed by a number of people. It would be impossible to place a value on these gifts in kind, for which the Trustees are extremely grateful.

FOR THE PERIOD 19 OCTOBER 2020 TO 31 AUGUST 2021**

Achievement and performance

This initial year of operating as an independent Church has been greatly overshadowed by the Covid-19 pandemic and the various level of restrictions which have been in place at different times.

Though activities have been limited, the Trustees are extremely thankful for the provision of such technology as Zoom. This has meant Sunday services, Sunday school, prayer and other meetings have continued throughout. Though never a replacement for meeting in person, to have the opportunity to meet in this way has been a great source of encouragement and the continued opportunity for fellowship during this difficult season.

The Trustees are thankful to visiting speakers and those within the Church who have led services so faithfully during this time.

The Church continues to offer pastoral support to those within the fellowship and the wider village and community. In July 2021, the Church hosted a soccer and netball school in partnership with SportsReach. 44 children took part on the school playing fields, the 19th year the event has taken place in the village.

The Church is pleased to host and support the village Parent and Toddler group which started again in September 2021.

Safeguarding and GDPR policies have been adopted in the year and will be reviewed regularly. Risk Assessments have been prepared in light of the Covid-19 pandemic.

In addition to the pandemic, much of this year has been consumed with ongoing discussions and negotiations with the Methodist Church to purchase the site within the village as a continued base for all Church activities. The Church was granted a licence in May 2021 to use the Methodist premises in Wray up to a sale completion.

The Trustees are extremely thankful for the gifts and pledges made by members of the Church. These gifts are expected to cover cost of the buildings, grounds and car parking together with the internal fixtures and equipment without the need to seek external funding or support. The Trustees are thankful too for the support and expertise of professionals, those from within the Church and the local community throughout this ongoing process.

At the date of this report, following continued negotiation, the Trustees have made an offer for the site and await to hear if this has been accepted.

Financial review

The attached financial statements provide a breakdown of the income and expenditure of the Church and show at the end of the period free reserves of £10,070. It is the policy of the Church to maintain free reserves at a level equivalent to three months of expenditure to cover running costs should income fall.

The amount recovered from HM Revenue & Customs through the Gift Aid scheme was £3,313.

Future plans

The Trustees are hopeful in a sale agreement for the former Methodist site in the coming weeks.

In light of the easing of lockdown restrictions, the Trustees are making arrangements for further activities to resume as life returns to a more normal semblance and are looking forward to identify new work and opportunities within the community.

Structure, governance and management

The Church is established as a Charitable Incorporated Organisation under a Constitution first adopted on 7 July 2020 and registered with the Charities Commission on 19 October 2020. The Constitution contains the main legal provisions governing the Church, its purposes and Basis of Faith, and its powers.

Under the Constitution, the people with the responsibility for the general control and management of the administration of the Church are known as the Charity Trustees and they are identified in the Constitution by reference to the office they hold in accordance with the Church Handbook.

The Church Handbook sets out the practices of the Church and its method of internal governance. It sits alongside the Constitution and both documents should be read together to understand how the Church operates. The Church Handbook must always be consistent with the Constitution – if it is inconsistent, the Constitution takes precedence.

Six Charity Trustees have been appointed at the beginning of the period to manage the affairs of the Church.

Approved by order of the board of trustees on 19 October 2021 and signed on its behalf by:

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

2. the accounts do not accord with those records; or
