Trustees Annual report for the year ended 31st December 2024

Objectives and Aims

1. To advance the Christian faith in accordance with the Evangelical Alliance basis of faith, in London and in such other part of the United Kingdom or the world as the trustees of the charity may from time to time think fit and to fulfil such other purposes which are exclusively charitable according to the law of England and Wales and are connected with the charitable work for the Charity;
2. To relieve persons who are in conditions of need or hardship and who are aged or sick and to relieve the distress caused thereby in the said location and in such other parts of the United Kingdom or the world as the trustees may from time-to-time think fit.

Summary of main activities

Eben Ezer Church London is an independent Romanian Pentecostal church that meets regularly for worship and teaching and providing pastoral care and support.

Public benefit

The trustees have read and given due regard to the guidance issued by the Charity Commission on public benefit.

Achievement and Performance

Charitable activities

We have provided humanitarian aid to few church members and visitors that were in a real need and on few occasions provided financial help to some needy people in Romania. Few times we were visited by missionary pastors in Ukraine or other pastors looking after the Ukrainian refugees in different parts of Romania and we had organised meetings and collections to support them. The diverse church services were held regularly and were mostly praying and worshipping with few baby/child dedications and weddings. Our Sunday school activities were ongoing on regular basis covering all different age groups.

Financial review 2024

Donations received in the period amounted to £35,370 (2023: £41,516) with expenses of £38,571 (2023: £32,701) resulting in a deficit for the year of £3,201 (2023: surplus £8,815)
Unrestricted cash reserves held at the year-end amounted to £9,774.

Reserves policy

The trustees have established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets ('the free reserves') held by the Charity should be approximately three months of the resources expended. At this level the trustees feel that they would be able to continue the current activities of the Charity in the event of a significant drop in income.

Structure Governance and Management

Governing document

Eben Ezer Church London is a Charitable Incorporated Organisation registered on 19th October 2020. New trustees are elected by the existing trustees to the board after nomination and interview. Financial reports are presented to the board at regular meetings.

Independent Examiners Report

Independent Examiner's Report to the trustees of Eben Ezer Church London

I report to the charity trustees on my examination of the financial statements of Eben Ezer Church London for the year ended 31 December 2024.

Responsibilities and basis of report

As the charity's trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act).

Having satisfied myself that the financial statements of the Charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's financial statements as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I can confirm that no material matters have come to my attention in connection with the examination giving me cause to believe:

- accounting records were not kept in accordance with section 386 of the 2006 Act ; or
- the financial statements do not accord with those records; or
- the financial statements do not comply with the accounting requirements under section 396 of the 2006 Act other than any requirement that the financial statements give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

-----------------------	---

---------------------------------	--

Donations and legacies	Voluntary income received by way of grants, donations and gifts is included in the the SoFA when receivable and only when the Charity has unconditional entitlement to the income.

Notes to the Accounts

Expenditure

Recognition of expenditure	Expenditure is recognised on an accruals basis. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.
Expenditure on raising funds	These comprise the costs associated with attracting voluntary income, fundraising trading costs and investment management costs.
Expenditure on charitable activities	These comprise the costs incurred by the Charity in the delivery of its activities and services in the furtherance of its objects, including the making of grants and governance costs.
Grants payable	All grant expenditure is accounted for on an actual paid basis plus an accrual for grants that have been approved by the trustees at the end of the year but not yet paid.
Governance costs	These include those costs associated with meeting the constitutional and statutory requirements of the Charity, including any audit/independent examination fees, costs linked to the strategic management of the Charity, together with a share of other administration costs.
Other expenditure	These are support costs not allocated to a particular activity.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Trade and other debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and on hand, demand deposits with banks and other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. In the statement of financial position, bank overdrafts are shown within borrowings or current liabilities. In the Statement of Cash Flows, cash and cash equivalents are shown net of bank overdrafts that are repayable on demand and form an integral part of the company's cash management.

Trade and other creditors

Short term creditors are measured at the transaction price. Other creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.
