Section D Achievements and performance

Summary of the main achievements of the charity during the year

During the year, the Charity became a fully functional unit with the opening of the bank account, which got delayed by several months due to widespread closures on account of Covid-19 widely prevalent then. The Trustees also acknowledge the contributions made by various people, all of whom are the alumni of Sri Sathya Sai Institute of Higher Learning and Sri Sathya Sai Secondary School in India, without whose generous contributions, it would not have been possible for the Charity to undertake the activities it did, and make some small contribution to the society. Making these donors aware of our existence was also a key achievement.
