Section D — Achievements and performance

Summary of the main achievements of the charity during the year

During the year, the Charity continued its service of the society without any discrimination based on caste, religion or any other such parameters. The activities have been in line with the charity objectives within the areas educare and sociocare. The Trustees also acknowledge the contributions made by various people, including the alumni of Sri Sathya Sai Institute of Higher Learning and Sri Sathya Sai Secondary School in India, without whose generous contributions, it would not have been possible for the Charity to undertake the activities it did, and make some small contribution to the society. Making these donors aware of our existence was also a key achievement.

Section E Financial review
