## Activities

---

**Objects:** (a) the advancement of health for the public benefit by supporting the Romsey Hospital operated by the Southern Health NHS Foundation Trust and such other National Health Service bodies or organisations supporting the National Health Service, as the trustees shall decide through the provision of grants of financial assistance to fund items and services for patients and service users; and (b) the advancement and promotion of knowledge and education for the public benefit in all aspects of healthcare by providing funds to support medical research, the useful results of which will be published.

**Activities:** The charity intends to make grants to support projects and research related to improving health services and patient care and will support NHS hospitals, primarily those that form the Southern Health NHS Foundation Trust and, most notably among them, the Romsey Hospital.
