BLUE BEAR FAMILY FOUNDATION

TRUSTEES' REPORT (INCLUDING DIRECTOR'S REPORT)

FOR THE YEAR ENDED 31 JULY 2025

The trustees present their annual report and financial statements for the year ended 31 July 2025.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Companies Act 2006, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)".

Objectives and activities

The charity's objectives are to relieve the needs of orphaned children with special education needs and/or disability by providing financial support to individuals and families who are adopting children with SEND from countries that are signatories to the Hague Convention on Adoption

The charity's aims are to provide financial assistance in the later stage of their adoption process, so that they are able to meet the onerous travel and legal fees.

The Trustees have taken advice to ensure all activities meet the constitution and are deemed charitable activities.

Financial review

Reserves policy

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

Principal funding sources

Our principal source of funds is from connected businesses to the Chair (Kate Griffiths), Minimum World Ltd and Blue Bear Ventures Ltd. 90% of our funds have been raised through these vehicles, and 10% has come from application fees.

Major risks

Our largest risk was that international adoption can take longer than expected, and some families have had to change their country of adoption. They still are able to use our funds under our application criteria.

Structure, governance and management

The trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

Mrs K E Griffiths

Ms Sarah Burton

Ms Melissa Green

Recruitment and appointment of trustees

All trustees must be over 18 and natural persons, and can serve for a minimum of 3 years before election.

BLUE BEAR FAMILY FOUNDATION

ACCOUNTANTS' REPORT TO THE TRUSTEES ON THE PREPARATION OF THE UNAUDITED STATUTORY FINANCIAL STATEMENTS OF BLUE BEAR FAMILY FOUNDATION FOR THE YEAR ENDED 31 JULY 2025

In order to assist you to fulfil your duties under the Companies Act 2006, we have prepared for your approval the financial statements of Blue Bear Family Foundation for the year ended 31 July 2025, which comprise the statement of financial activities and the related notes from the charity's accounting records and from information and explanations you have given us.

This report is made to the charity's trustees, as a body, in accordance with the terms of our engagement letter dated 25 August 2023. Our work has been undertaken solely to prepare for your approval the financial statements of Blue Bear Family Foundation and state those matters that we have agreed to state to the charity's trustees, as a body, in this report in accordance with ICAEW Technical Release 07/16 AAF. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Blue Bear Family Foundation and the charity's trustees as a body, for our work or for this report.

It is your duty to ensure that Blue Bear Family Foundation has kept adequate accounting records and to prepare statutory financial statements that give a true and fair view of the assets, liabilities, financial position and deficit of Blue Bear Family Foundation. You consider that Blue Bear Family Foundation is exempt from the statutory audit requirement for the year, and is not required to obtain an independent examiner's report.

We have not been instructed to carry out an audit or a review of the financial statements of Blue Bear Family Foundation. For this reason, we have not verified the accuracy or completeness of the accounting records or information and explanations you have given to us and we do not, therefore, express any opinion on the statutory financial statements.

BLUE BEAR FAMILY FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 JULY 2025

1 Accounting policies

Charity information

Blue Bear Family Foundation is a private company limited by guarantee incorporated in England and Wales. The registered office is .

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's governing document, the Companies Act 2006, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)". The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a statement of cash flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

1.6 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs. As all financial assets are classified within one year, they are not amortised but carried at face value.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans, are initially recognised at transaction price. Financial liabilities classified as payable within one year are carried at face value.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and continue to be measured at face value.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.7 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
