FOR THE PUBLIC BENEFIT THE RELIEF OF THOSE IN NEED ANYWHERE IN THE UK BY REASON OF YOUTH, AGE, ILL-HEALTH, DISABILITY, OR SOCIAL OR ECONOMIC DISADVANTAGE IN PARTICULAR BUT NOT EXCLUSIVELY, BY PROVIDING FOOD AND MEDICAL PROTECTION.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

THE SPECTRA FOUNDATION CHARITY HAS DEMONSTRATED A STRONG COMMITMENT TO COMBATING FOOD INSECURITY THROUGH ITS STRATEGIC DONATION AND DISTRIBUTION INITIATIVES. A KEY COMPONENT OF ITS OUTREACH IS THE MOBILE FOOD BANK, WHICH DELIVERS ESSENTIAL, NUTRITIOUS FOOD DIRECTLY TO INDIVIDUALS AND FAMILIES IN NEED, REGARDLESS OF THEIR LOCATION.

IN ADDITION TO MOBILE SERVICES, THE FOUNDATION PROVIDES HOT MEALS TO HOMELESS INDIVIDUALS, ENSURING THAT THOSE FACING EXTREME VULNERABILITY RECEIVE CONSISTENT, WHOLESOME MEALS. REGULAR DISTRIBUTION OF FOOD BAGS FURTHER EXTENDS THE FOUNDATION'S IMPACT, SUPPLYING BASIC GROCERIES AND NUTRITIONAL ITEMS TO LOW-INCOME AND AT-RISK COMMUNITIES.

THROUGH THESE TARGETED EFFORTS, THE SPECTRA FOUNDATION CHARITY PLAYS A CRITICAL ROLE IN ALLEVIATING HUNGER, PROMOTING NUTRITIONAL WELL-BEING, AND UPLIFTING THE LIVES OF DISADVANTAGED POPULATIONS WITH DIGNITY AND COMPASSION.

Statement of Trustees' Responsibilities

The Charities Act requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charity at the end of the year and of the incoming and outgoing resources for the year ended.

In preparing those financial statements, the trustees are required to select suitable accounting policies and then apply them consistently, making judgements and estimates that are reasonable and prudent. The Trustees must also prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue its activities.

The trustees are responsible for keeping proper accounting records, which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with applicable law, regulations and the constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report has been prepared in accordance with the Statement of Recommended Practice-Accounting and Reporting by Charities.

Approved by the trustees and signed on their behalf by

Mr. Abubakr Siddique

SPECTRA FOUNDATION

Independent Examiner's Report Year Ending 31 July 2024

I report to the trustees set out on page 2 on the examination of the financial statements of SPECTRA FOUNDATION for the year ended 31 July 2024

Responsibilities and basis of report

As the charity's management committee you are responsible for the preparation of the financial statements; you consider that an audit is not required for the year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is required. It is my responsibility to state, on the basis of procedures specified in the general directions given by the Charity Commissioners under section 43(7)(b) of the Act, whether particular matters have come to my attention.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements

Year Ending 31 July 2024

1. General information

The charity is a public benefit entity registered in England and Wales. The registered address of the charity is
Oak Road
Oldham
OL8 3UJ

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

There have been no judgements (apart from those involving estimations) that management has made in the process of applying the entity's accounting policies and that have the most significant effect on the amounts recognised in the financial statements.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

SPECTRA FOUNDATION

Notes to the Financial Statements (continued)

Year Ending 31 July 2024

3. Accounting policies (continued)

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from tuition fees, donations and grants are recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- income from tuition fees, donations or grants are unrestricted funds unless specified from source and hence treated accordingly.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, noncharitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Fixed assets (excluding investments) are stated at cost less accumulated depreciation. The costs of minor additions or those costing below £2,000 are not capitalised.

SPECTRA FOUNDATION

Notes to the Financial Statements (continued)

Year Ending 31 July 2024

3. Accounting policies (continued)

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

Financial instruments (continued)

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.
