The main achievements of the charity in the year were:

This year has been a challenging one for our charity as we continue to navigate the complexities of our start-up phase. The high cost of living, rising heating and lighting expenses, along with significant rent and operational costs, have presented substantial hurdles.

One of the major obstacles we faced was operationalising the charity. A shortage of necessary skills among volunteers has hindered our ability to offer the services we had planned. Despite these setbacks, our trustees are actively exploring alternative options to achieve full operational capability.

Our primary goal now is to sustain the charity once it becomes fully operational. We are dedicated to finding solutions for financial stability and deepening our community involvement. The commitment to overcoming these challenges is strong, and we remain focused on making a positive impact.

Moving forward, we are concentrating on recruiting additional trustees with the right skill set to bolster our efforts. Together, we strive to overcome these obstacles and continue to work towards our mission of community betterment.
