End of Year Charity Return Statement

The three trustees have remained committed to building a strong foundation from which the charity can grow and begin serving the community.

Progress has been slower than anticipated. Attracting volunteers with the specialist skills needed to launch our education services has proven difficult, and this has delayed our operational readiness. The current economic climate, rising living costs, and a competitive funding environment have added further complexity.

Despite these challenges, the trustees are actively exploring a range of pathways to move the charity forward. This includes engaging with local partners, identifying community collaboration opportunities, and continuing to assess the best approach to delivering on our mission of providing quality education and learning to the community.

Recruiting additional trustees with diverse skills and relevant experience remains a priority. We are confident that with the right team in place and continued community support, Darul Yasin will be well positioned to deliver the services that inspired its formation.
