THE PETER HARRINGTON FOUNDATION

TRUSTEES' REPORT

For the period ended 31 December 2021

The trustees present their annual report and financial statements for the period ended 31 December 2021.

The Peter Harrington Foundation is a Charitable Incorporated Organisation registered 30 October 2020 with Charity Commission under charity number 1192097 and Companies House under registered number CE023167.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's foundation model constitution, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

Objectives and activities

The Peter Harrington Foundation makes grants to charities or individuals or directly funds activities, for the public benefit, to

- advance education of persons working or aspiring to work within the rare book trade in the UK;
- relieve and assist people in need in any part of the world who are subject to poverty by way of social or economic circumstances;
- relieve and assist people in need in any part of the world who are the victims of war or natural disaster or catastrophe;
- provide grants or donations to advance such charitable purposes (according to the law of England and Wales) as the trustees see fit from time to time.

During the first year of activity the Foundation worked with a number of local and national charities in line with our purposes, in particular in response to the impact of COVID on the homeless and people suffering eating disorders, with a focus on young people and local services. A substantial donation received was restricted to work with BEAT, the eating disorder charity, and we also funded essential improvements to a local hospital's dedicated ward for young persons with eating disorders, incidences of which increased substantially during the COVID pandemic. We also committed to long term, regular funding of the ABA Educational Trust which promotes and supports education and research in the field of rare books and funded a scholarship for their YABS programme.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Achievements and performance

The Foundation is proud to have made a meaningful impact on the lives of young people through its grants to local and national charities addressing homelessness and eating disorders as well as supporting local hospitals. The funding we have provided has enabled charities to give significant support in areas of need at a time when services have been severely stretched and stressed by the COVID pandemic. In particular, our work with St Georges Hospital Frederick Hewitt ward has enabled them to create and equip a specialist space suitable for young people suffering eating disorders.

Financial review

The Foundation has unrestricted funds remaining in the bank at the end of the financial year which are available for distribution of grants and disbursements in accordance with the charity's purposes as and when the Trustees see fit.

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the period.

THE PETER HARRINGTON FOUNDATION

TRUSTEES' REPORT (CONTINUED)

For the period ended 31 December 2021

Structure, governance and management

The charity is governed by a Foundation model constitution

The trustees who served during the period and up to the date of signature of the financial statements were:

Mr R E Sandall

Mr P L Harrington

Ms S Caethoven

Trustees are selected having regard to the skills, knowledge and experience needed for the effective administration of the CIO. Appointment and re-appointment is by resolution passed at a properly convened meeting of the Trustees.

None of the trustees has any beneficial interest in the company. All of the trustees are members of the company and guarantee to contribute £1 in the event of a winding up.

The trustees' report was approved by the Board of Trustees.

THE PETER HARRINGTON FOUNDATION

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF THE PETER HARRINGTON FOUNDATION

I report to the trustees on my examination of the financial statements of The Peter Harrington Foundation (the charity) for the period ended 31 December 2021.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

THE PETER HARRINGTON FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS

For the period ended 31 December 2021

1 Accounting policies

Charity information

The Peter Harrington Foundation is a charity registered in England and Wales with the Charity Commission under charity number 1192097 and Companies House under CE023167. The registered office is 100 Fulham Road, London. SW3 6HS.

1.1 Reporting period

The financial statements are presented for a period longer than one year as to include the period from charitable incorporation up to the accounting reference date.

1.2 Accounting convention

The financial statements have been prepared in accordance with the charity's governing document, the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.3 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.4 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

1.5 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount.

THE PETER HARRINGTON FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

For the period ended 31 December 2021

1 Accounting policies

(Continued)

1.6 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

Grant awards are recognised once there is a legal or constructive obligation to transfer economic benefit to a third party.

1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

THE PETER HARRINGTON FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

For the period ended 31 December 2021

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

3 Donations and legacies

	Unrestricted funds
	2021 £
