Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	Our purpose is to continually welcome new Thai people into the network.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	Regional fellowship meetings in believers' homes continued. Two fellowship days; one in April (Radcliffe, Manchester) and one in October (Harbourne, Birmingham) were held in non-residential settings to allow larger group fellowship to take place. Summer camp took place at the Pioneer Centre, (near Kidderminster) to enable all UK believers to come together. The venue provides full board which reduces the burden on food preparation. The camp provides the ability to support new believers as well as offer comprehensive Bible teaching. The camp continued to provide a full children's and youth programme (including a young adults group that has been requested by former beneficiaries of the youth programme in previous years) All these programmes were provided by non-Thai volunteers. The camp continued to provide a parallel programme for non-Thai speaking men who join the camp with families. An evaluation of feedback from the camp was reviewed by the trustees who asked the NTC exec to address concerns that the programme was over busy and was becoming repetitive which may have the effect of reducing interest in future annual camps

Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The trustees are satisfied that during 2025 NTC was open to new Thai beneficiaries and their families.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	No specific progress was made on appointing a fourth trustee but we were much closer (by 31 Oct 2025) to finding someone, but who is currently away until early 2026 The transition to finding a new chair for the NTC exec has also been delayed but 3 appointments have been made to newly created roles within the exec and the service term for those appointments have been extended to give the appointees time to develop each role. Roles = 1 Treasurer 2 Administration 3 Oversight of local regional groups

		The guidance document “Principles and Practice of NTC” was edited to address some concerns. It has not yet been officially published by the trustees and so by 31 Oct 2025, the old copy is still the working document for NTC exec. The NTC exec met together for a residential weekend in Suffolk in May 2025 to strengthen the working relationships on the committee and included some time with the trustees. Safeguarding training was given to local group leaders in March 2025 (in Thai language) [see additional comments section below for details] Many families connected with NTC benefitted directly from the activities of NTC The wider benefit of our work is that more stable families make a better contribution to UK society at large.

Treasurer's Report

For the Year Ended 31 October 2025

I am pleased to present the Treasurer's Report for the General Fund for the financial year ended 31 October 2025.

The year commenced with a balance brought forward of **£9,323.22**. During the year, the fellowship received total income of **£39,411.44**, derived mainly from camp participant fees, donations, offerings, Gift Aid claims, literature sales, and bank interest.

The largest source of income continued to be **camp participant fees (£22,651.00)**, supplemented by **camp donations (£5,394.06)** and **general donations (£6,389.40)**. Offerings received through the Spring Fellowship, Autumn Fellowship, and NTC Summer Camp contributed a further **£3,086.08**. We are also thankful for the continued support received through Gift Aid and other miscellaneous income.

Total expenditure for the year amounted to **£31,722.09**. The most significant expense was the **Pioneer Centre invoice (£22,340.84)** relating to camp activities. Additional camp-related expenditure amounted to **£4,528.04**. Support for Home Ministry totalled **£1,440.00**, while travel and visiting expenses were **£1,097.05**. Other operational costs included insurance, website and communication expenses, DBS checks, audit costs, hospitality, and miscellaneous expenditure necessary to support the ministry and administration of the fellowship.

As a result of income exceeding expenditure, the General Fund recorded a **surplus of £7,689.35** for the year. Consequently, the fund balance increased from **£9,323.22** at the beginning of the year to **£17,012.57** as at **31 October 2025**.

The overall financial position of the fellowship remains stable and healthy. The increase in reserves provides a stronger financial foundation for future ministry activities, camps, and fellowship events. We remain grateful to all members, supporters, and donors for their faithful contributions throughout the year, and we thank God for His provision and guidance in sustaining the work of the fellowship.

On behalf of the committee, I would like to express appreciation to everyone who has contributed financially, volunteered their time, and supported the ministry during the past year.
