Trustees' Annual Report

The trustees of Stoke Ash Baptist Church present their annual report and financial statements for the period ending 31st March 2022.

Due to the complexity of the trust deeds of the properties in question no assets have as yet been transferred into the new CIO during this period from the unincorporated Stoke Ash Baptist Church.

Governance and Management

Stoke Ash Baptist Church was formed in 1805 and was governed by 'Articles of Faith and Church rules' as set out in the churches handbook revised in February 2015. The Church registered as a CIO on 2nd November 2020 and is governed by the constitution document of 9th October 2020.

Previously the Church operated as an excepted Charity under the umbrella of The Association of Grace Baptist Churches (East Anglia) Ltd.

The Church is a member of The Association of Grace Baptist Churches (East Anglia) Ltd and also affiliated to F.I.E.C.

The trustees are formed from the Elders and deacons of the church, all which have served during this period alongside an independent who was a retired elder of the church. The trustees are responsible for the control and management of the Church and are appointed by the members of the church.

Objectives and Aims

The purpose of the Church is the advancement of the Christian Faith in accordance with the Basis of Faith, Doctrinal Distinctives and Ethical Statements, primarily, but not exclusively within Stoke Ash, Suffolk and the surrounding neighbourhood; and such charitable purposes, as shall in the opinion of the charity trustees facilitate the work of the Fellowship, provided that such purposes must be carried out in the manner consistent with the Basis of Faith, Doctrinal Distinctives and Ethical Statements.

Activities and Achievements

The trustees have given due regard to the Charity Commissions guidance on public benefit and, in particular, the specific guidance on charities for the advancement of religion.

During the year the Church has continued, within the confines of the Covid restrictions, to carry out the various activities in order to promote the Gospel in the local area.

During the restricted months the Church used the online facility of zoom to keep in contact with the members of the congregation. Sadly the children and youth work within the Church had to cease and on the Sundays we restricted the service to a morning only.

Once restrictions were lifted we continued with the morning service and the Tuesday evening Prayer and Bible study and gradually the congregation began to return. We were also able to continue our joint effort with our local Stoke Ash & Thwaite Parish Council providing a monthly meal held on the forth Wednesday of each month for the over 65's in the Churches Youth Hall.

Attendance has grown from 25 to 35 with people from the surrounding villages. For those who do not have transport we provide a taxi service to and from the hall.

The Church is involved in supporting worldwide Christian Mission through Grace Baptist Mission, Asia Link, Cogwheel Trust, Crisis, Fisherman's Mission, New Tribes Mission. These are all Missions that we have regular contact with through the membership of the church due to their alignment with our beliefs and charitable objectives.

Finances

The principal source of funds for the church comes from the free will offerings of the attendees. This has been very restrictive during the restrictions of Covid due to people not attending Church in person. This therefore changed the way that practical aspects of the church functioned, affecting both income and expenditure. On top of the normal expenses of Church life we had the additional cost of expenditure of solicitors and surveyors fees in regards to registering for CIO status and the involvement of searching and dealing with original Church deeds for land and buildings.

We are grateful for all the financial support of the fellowship and we see once again how God uses His people to provide for the needs of the Church.

Please note again that there is no breakdown of the finances, as they have not yet not been transferred into the CIO due to the complexity of the assets of the buildings and land and confirmation of deeds. These will be shown in the next years report once our solicitors have completed the merger.

Reserves Policy

Our policy is to build and maintain a margin of funds to cover about 3 months of expenditure.

Risk Management

The trustees have reviewed the major risks to which the CIO is exposed to. Child and Vulnerable Adult Safeguarding Policy is the latest provided by Grace Baptist Trust Corporation with update briefings held by The Association of Grace Baptist Churches (East Anglia) Ltd every two years with those attending being certified. The premises have a quinquennial inspection and report, along with Health And Safety updated reports at regular intervals when any material changes have been made.

We take a low risk approach to investments and use cash deposit accounts.

Approval

This report was approved by the trustees on 10th January 2023 and signed on their behalf.

Independent examiner's report to the trustees of Stoke Ash Baptist Church CIO

I report to the trustees on my examination of the accounts of Stoke Ash Baptist Church CIO Charity No 1192114 (the Trust) for the period ended 31st March 2022

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I understand and am satisfied that for the period under review no monies passed through the accounts and therefore at the period end the Charity held no Current or Fixed Assets. I therefore confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:-

- accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and contents of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
