Dear Sir/Madam,

We are writing to submit the balance sheet of The DENNIS SHARPE FOUNDATION as of 20th AUGUST 2022, in compliance with the reporting requirements outlined by The Charities Commission. Along with the balance sheet, we have included an accompanying note to provide context and insight into our recent activities and future plans.

Balance Sheet Overview:

- **Assets:** Our balance sheet indicates that our primary asset is cash, with a balance of £2,000. This reflects the outcome of our recent initiatives and financial management practices.
- **Liabilities:** We are proud to report that our charity currently maintains no outstanding liabilities.
- **Equity:** With no liabilities and our cash asset of £2,000, our equity stands at £2,000. This showcases our organization's financial stability.

Recent Success:

We wish to highlight the success of our recent Barrel project, which involved the collection and shipment of essential items from the UK to Ghana. The project's success was made possible by the contributions of individuals and communities in the UK, demonstrating our commitment to fulfilling our charitable mission.

Future Initiatives:

While we have not been actively fundraising recently, our trustees have been diligently formulating innovative initiatives for the charity's future. Building on the achievements of the Barrel project, we are exploring new avenues to extend our positive impact. We anticipate unveiling these initiatives in the near future. We appreciate the Charities Commission's dedication to transparency and accountability in the charitable sector. We assure you that our balance sheet and accompanying note accurately represent our financial position and recent activities. Should you require further information, documentation, or clarification, please do not hesitate to contact us at [Your Contact Information].
