JACK N JILL PRE SCHOOL AND NURSERY

TRUSTEES REPORT

FOR THE YEAR ENDED 31 AUGUST 2025

The trustees present their report and accounts for the year ended 31 August 2025

Structure, governance and management

Jack n Jill pre-school and Nursery is a Charitable Incorporated Organisation (CIO), registered on 4 November 2020.

The trustees are responsible for making decisions on all matters of general concern and importance, including deciding on how the funds are to be spent. A sub committee exists to set the remuneration of key personnel.

The trustees, who served during the year were:

L Mallett
V Mann
M Godbold
P Preston
M Hurren

Recruitment and Appointment of Trustees and Trustee Training

New trustees are appointed from a recruitment and selection process to enhance the skills and experience of the board as a whole. Once appointed trustees are provided with all the information required to assist them in performing their role as trustees covering all aspects of the organisation.

Risk Assessment

The trustees have assessed the major risks to which the Charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks whether they are financial (reduction in funding) or reputational (quality of childcare provision), which is addressed regularly by review of all processes and procedures.

Objectives and activities for the public benefit

The purpose of the Charity, as per its governing document, is the provision of Pre-school and Nursery education for children aged two to four periods. This is delivered in a vibrant and positive educational setting enabling them to learn and develop through play.

The Charity constitutes a public benefit entity as defined by FRS 102

The trustees confirm that they have referred to the guidance contained in Section 4 of the Charities Act 2011 and in Charities Commission general guidance on public benefit when reviewing the Charities aims and objectives for the public benefit.

Aims, activities and objectives.

We received statutory funding from Suffolk County Council which assisted us to achieve the items documented below. This is considered the principal source of funding.

The policies have been continuously updated throughout the year and the management team have worked hard to ensure staff are receiving 6 weekly appraisals and observations.

The setting is improving every week with staff contributing to an inspiration board and these ideas are being actioned where possible.

We have continued to have more of a natural feel with wooden equipment and natural sensory items to reduce plastic. We now have quite a substantial pet corner with rabbits, guinea pigs, hamsters, African land snails and a tortoise and the children get great enjoyment from seeing them and learning how to care for them.

We continue to have visitors to the setting for circle time and the children love the interaction in story and singing time.

Achievements and performance continued.

We have been at full capacity in both the Buddies and Little Bud's rooms in both morning and afternoon sessions and have an ever increasing waiting list.

We communicate regularly with parents and update them on developments and opportunities face to face, by newsletter and via social media. Our annual spring term survey indicated a large percentage of parents said they would definitely recommend the pre-school to friends and family.

We continue to run 30 hour day care for parents, and are generally busy now throughout the year including school holidays.

Due to the simple nature of the Charity Key Performance Indicators are not used.

Financial Review

During the year under review charitable income was received in the form of grants totalling £383,088 (2024: £335,902) and session fees were received totalling £28,022 (2024: £49,385). Expenditure during the year totalled £379,697 (2024: £335,608). At the Balance Sheet date the restricted fund balance was £Nil (2024: £Nil) and the unrestricted balance was £209,084 (2024: £177,672). These are represented by £209,084 net assets, of which £206,576 (2024: £177,672) is in the form of net current assets and £2,508 (2024: £3,344) of fixed asset equipment.

Reserves Policy

It is the policy of the Charity to maintain a balance on unrestricted funds which equates to between 6 and 12 months unrestricted core payments, to ensure stability for staff welfare. The balance of £127,993 achieved this target. This policy is subject to regular review by the Trustees to ensure it remains appropriate to the needs of the Charity.

Future Plans

We plan to continue to offer extended hours and staff and parents are happy with the changes that have been implemented. The Trustees will continue to take a prudent and responsible approach to budgeting without jeopardising the high standard of childcare the pre-school is committed to delivering.

On behalf of the board of trustees on

Trustee

JACK N JILL PRE SCHOOL AND NURSERY
INDEPENDENT EXAMINER'S REPORT
TO THE TRUSTEES OF JACK N JILL PRE SCHOOL AND NURSERY

I report to the charity trustees on my examination of the accounts of the Charity for the year ended 31 August 2025 which are set out on pages 6 to 15.

Responsibilities and basis of report

As the Charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

Since the Charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the Act. I confirm that I am qualified to undertake the examination because I am a member of The Association of Accounting Technicians, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or

2. the accounts do not accord with those records; or

3. the accounts do not comply with the applicable requirements concerning the form and content of accounts

set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Accounting policies

1.1 Basis of preparation

Jack n Jill pre-school and Nursery is a Charitable Incorporated Organisation (CIO), registered on 4 November 2020, registered number 1192147 which started trading on 22 October 2022, operating under the governing document dated 4 November 2020. On 22 October 2022 funds were transferred from a charity Jack n Jill Pre School registered charity number 1109556 which subsequently ceased trading. The address of the registered office is given in the information on page 1 of these financial statements. The nature of the Charity's operations and principal activities are detailed in the Trustees' Annual Report. The Charity constitutes a public benefit entity as defined by FRS 102. The accounts (financial statements) have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

The accounts (financial statements) have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The financial statements are prepared on a going concern basis under the historical cost convention.

The financial statements are presented in sterling which is the functional currency of the Charity and rounded to the nearest pound.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated." The Trustees, having considered the financial position of the Charity, its free reserves and cash flow, are satisfied that the charity will be able to meet all its financial commitments and accordingly have adopted the going concern basis in preparing these accounts.

Financial Instruments

The Charity only has financial assets and financial liabilities of a kind that qualify as a basic financial instrument. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

1.2 Income

All income, including government grants, are included in the statement of financial activities when the Charity is entitled to the income and the amount can be quantified with reasonable accuracy. Charitable activity income is received by way of grants, donations and gifts and is included in full in the Statement of Financial Activities when the recognition criteria is met.

Accounting policies (continued)

1.3 Expenditure

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Charitable expenditure comprises those costs incurred by the Charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the Charity and include the costs linked to the strategic management of the charity.

All costs are allocated between the expenditure categories of the Statement of Financial Activities on a basis designed to reflect the use of resources.

1.4 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Fixtures, Fittings and Play Equipment 25% reducing balance

1.5 Leasing and hire purchase commitments

Rentals payable under operating leases are charged against income on a straight line basis over the period of the lease.

1.6 Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the Trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the Charity.

Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

1.7 Going Concern

The Trustees have a reasonable expectation that the charity will continue in operational existence for the foreseeable future and is well placed to manage its business risks successfully despite the current uncertain economic outlook. The Charity has significant reserves and accordingly the Trustees continue to adopt the going concern basis.

1.8 Judgements and key sources of estimation uncertainty

The following judgements (apart from those involving estimates) have been made in the process of applying the above accounting policies that have had the most significant effect on amounts recognised in the financial statements:

- Allocation of support costs
- Depreciation rates for tangible fixed assets
