Activities

Objects: The Objects of the CIO are: To advance education, health, and social development, and to relieve poverty among individuals and communities, particularly in underserved and developing nations, including the UK and beyond, by: ? Providing grants, items, training, and services to individuals in need and/or to charities or other organisations working to prevent or relieve poverty; ? Supporting programmes in education, vocational development, healthcare access, and social empowerment; Promoting international cooperation and sustainable development initiatives that align with these charitable purposes.

Activities: We deliver sustainable health and development programmes in underserved communities by strengthening healthcare systems, training professionals, and advancing research and digital innovation. Working in the UK and globally, we partner with institutions to improve access, build capacity and achieve measurable impact.
