Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	To advance such charitable purposes (according to the law of England and Wales) as the trustees see fit from time to time in particular but not limited to the relief of poverty and the advancement of animal welfare in Mauritius by making grants to the local NGOs in Mauritius.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	The charity has continued its work to help Mauritian charities. Using regular donations it received from its donors, it made grants to two charities based in Mauritius (a charity looking after women and children in distress and an environmental organisation involved with recycling and environmental awareness programs), in line with its charitable purposes. Grants were made every two months to each charity to cover specific needs, in accordance with the grant making policy. The charity is currently in the process of identifying a third charity to support in order to allocate any surpluses built up in our accounts from donations.
Statement confirming whether the trustees have had regard to the guidance	Para 1.18	In all activities during this period, the trustees were aware of the guidance issued by the Charity Commission on

issued by the Charity Commission on public benefit		public benefit and have taken it into account when making a decision to which the guidance was relevant.

Achievements and Performance

	SORP reference	
--	----------------	--

Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	UK Mauritius Charity (UKMC) continued to support the “Shelter For Women and Children In Distress Trust Fund” to fund computer lessons, school materials and everyday essentials for disadvantaged children in 2025. Over 2026, our grants have mainly gone towards supporting costs related to the general wellbeing of children at the shelter after agreeing a new grant plan with the local charity. UKMC has also continued to support the environmental work done by We Recycle, a Mauritian organisation that runs recycling activities including maintenance of recycling bins and raising awareness in the community and in schools about the importance of recycling and how it helps the environment.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	The charity's financial position is secure, with a higher surplus than in previous years. Over the period, it received around £5,957 in donations, and it was able to distribute around £4,460 in grants, a lower amount compared to the previous comparable period as a result of a stronger pound in relation to the Mauritian rupee and given our intention to support a third charity (hence slightly reducing our contributions to our two current charities). We are in the process of identifying a third charity in Mauritius to support. The charity had no expenses charged to it. The charity has received regular monthly donations throughout this period as well as a one-off donation from one donor to be distributed to a charity of the donor's choosing. At the end of period, the charity's bank balance stood at around £2,809, which enables it to continue helping its two chosen beneficiaries with the capacity to include a new charity to support.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	The intention of the charity is not to explicitly maintain reserves as the charity does not have any running expenses and as it would like to transfer all donations to selected Mauritian charities. Current reserves will be sent to a specific charity once approved by

		trustees and one-off donor.
Amount of reserves held	Para 1.22	N/A
Reasons for holding zero reserves	Para 1.22	The charity's intention is to use all donations towards grants to Mauritian charities. The charity has no running costs, liabilities or any financial contract that it needs reserves for.
Details of fund materially in deficit	Para 1.24	N/A
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	N/A
