Description of the charity's trusts	
Type of governing document (eg. trust deed, constitution)	Constitution, following Charity Commission CIO Association Model
How the charity is constituted (eg. trust, association, company)	Charitable Incorporated Organisation (Association Model)
Trustee selection methods (eg. appointed by, elected by)	Elected by members
Additional governance issues (Optional information)	
You may choose to include additional information, where relevant, about: • policies and procedures adopted for the induction and training of trustees; • the charity's organisational structure and any wider network with which the charity works; • relationship with any related parties; • trustees' consideration of major risks and the system and procedures to manage them.	Ansty Community Sports Club (ACSC) was established as a Charitable Incorporated Organisation (CIO) in November 2020. The purpose of the ACSC is to promote community participation in healthy recreation by providing facilities for the playing of cricket and football. The ACSC will do this by assuming responsibility for the activities of Ansty Cricket Club and Ansty Football Club previously carried out by Ansty Sports and Social Club (ASSC), a members' club. In addition to the continuation of the sports clubs, the ACSC will also promote diversity and inclusion in amateur sport. The ACSC delivers its activities from the new Ansty Village Centre is at Deaks Lane, Ansty, West Sussex, RH17 5AS. The AVCT website can be found at https://www.anstysports.club. In December 2020 the members of the ASSC voted to dissolve the Club at point in the future to be determined by the Management Committee. The members also agreed for the charitable functions and operations of the ASSC and its sections to be transferred to the ACSC. The non-charitable activities of the ASSC will be transferred into a subsidiary company of the ACSC, ACSC Services Limited. It is envisaged that the winding-up and transfer functions into the new structure will be completed in 2023.

Summary of the objects of the charity set out in its governing document	The objects of the ACSC are: a) to promote community participation in healthy recreation by providing facilities and services for playing cricket, football and other sports; b) to provide and assist in providing facilities for sport, recreation or other leisure time occupation of such persons who have need for such facilities by reason of their youth, age, infirmity or disablement, poverty or social and economic circumstances or for the public at large in the interests of social welfare and with the object of improving their conditions of life; and c) to advance the education of children and young people through such means as the Trustees think fit in accordance with the law of charity.
Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory	Public Benefit ACSC and its sporting sections – Ansty Cricket Club and Ansty Football Club - to deliver the public benefits that flow from its objects, including: • An enhanced quality of life and sense of health and well-being through engagement with and participation in sporting and other leisure-time activities that bring people together, leading to improvements in physical and emotional well-being, quality of life and promote a stable and cohesive community. • Increased opportunities to engage in sporting and leisure-time activities, leading to greater social cohesion and fulfilment. • Enhanced active citizenship and involvement in community life through participation in community events and through volunteering. ACSC assesses the progress in the delivery of public benefits by

declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

measuring, amongst other things, the number of participants and volunteers supporting community activities, the number and range of events delivered, and the diversification of the programme including its engagement with a broader range of community groups.

The ACSC is also working closely with funders to assess progress towards outputs and outcomes identified in the funding agreements. For example, Ansty CC has a service level agreement with the Sussex Cricket Foundation (the Foundation) against which progress is assessed annually.

Additional details of objectives and activities (Optional information)

You may choose to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

All activities of the charity and its sporting sections are delivered by volunteers.

Summary of the main achievements of the charity during the year

Achievements and performance

Sporting activity returned to the new Centre and the Recreation Ground in May 2021 while operating within the Covid -19 requirements for social distancing. Activity in the Centre increased over the summer as the Government's Covid-19 restrictions were relaxed. The sports sections - embracing adult and junior cricket for both sexes and adult soccer - are regular users of the changing and Clubroom facilities. Here the levels of activity have returned to pre-pandemic levels with 7 adult cricket teams and 10 junior teams playing regularly throughout the summer. Ansty FC run one senior and one veterans team.

The Clubroom and the Meeting Room are also available for booking by community groups embracing activities as diverse as community choirs, baby massage, lip reading classes and a U3A recorder group.

In October 2021, the Ansty Village Centre Trust, the ACSC's landlord, granted the ACSC a 150-year lease on the clubroom and sports changing facilities in the newly constricted Ansty Village Centre.

Diversity and Inclusion

The redevelopment of the site at Ansty has opened new opportunities for the ACSC to diversify its cricket programme and to partner with the Sussex Cricket Foundation (SCF) to reach out to disabled people. With the support of the Peter Harrison Foundation the Club is delivering the improvements in the playing facilities that helping to make Ansty a safe and welcoming environment for cricketers of all backgrounds and ability.

Having made a significant investment in the disabled facilities in the new pavilion we are delivering further projects to improve access to the playing area, deliver pitch and outfield improvements for youth and disabled players, and new practice / coaching nets. These improvements will deliver an outdoor facility for disabled people to enjoy cricket that Mid-Sussex currently lacks.

Disability Cricket. Ansty CC secured ECB Disability Cricket Champions Club (DCCC) status, in March 2021, hosting a weekly cricket session for young disabled cricketers. Following the success of the DCCC sessions, Ansty CC was granted Super 1s status by the Lords Taverners, giving its access to funding to run indoor sessions for the group through the winter.

The Club has also organised round-robin tournaments with Super 1s teams invited down from Merstham and Hackney. In addition to cricket, our volunteers work with the parents and guardians to put together a social programme, which involves skittles nights in the Clubhouse.

Supporting County Cricket. Another feature of the Ansty CC programme is to host festivals and matches to support the delivery of cricket to young disabled people across the county. In 2021 the Club hosted two full county disability matches (D40, county disability matches of 40 overs), where Sussex host other county sides. The Club also hosted a 'Super 9s' festival where players not quite at D40 level where players from Sussex

compete against sides from other counties.

Brief statement of the charity's policy on reserves

The ACSC maintains financial reserves to meet its working capital requirements and to fund capital improvements. AVCT will hold working capital and reserve funds on deposit and, where appropriate, in short- and medium-term bonds to secure the best possible return subject to Trustees' assessment of the acceptable level of liquidity risk.

Details of any funds materially in deficit

No

Further financial review details (Optional information)

You may choose to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The ACSC's financial statements record the donations received from the Peter Harrison Foundation to deliver improvements in the facilities at Ansty of £24,849. During 2021 £6,9 was spent on a landscaping and drainage project to improve access to the playing area. The remaining funds are being held as funding towards the installation of new cricket nets and playing area enhancements.

Pending the dissolution of the ASSC the revenues and expenditures incurred in delivering the cricket and football programmes continue to be accounted for in the ASSC financial statements and those of the cricket and football sections.

ACSC's annual running costs are covered through membership subscriptions, fundraising and sponsorship. Capital projects are funded by grants and by fundraising.

Section F Other optional information

The trustees declare that they have approved the trustees' report above.
