Summary of the main achievements of the charity during the year

Since 09th November 2020 when the charity was officially granted Charity status... unfortunately, due to the current scheme of things in the world and COVID restrictions we were unable to launch the charity how we expected.

Everything we planned had to be put on hold due to the restrictions which in turn affected all our personal circumstances with regards to living working and supporting our families.

So in essence. the whole project was put on hold until we could all gather enough time and money to afford to live before we as trustees could offer ourselves to any charity work.

This has affected our plans moving forward but this year we hope to raise money again for our UK Veterans and really get the charity in motion in 2023, However due to my own personal circumstances I am not in a position to start fund raising at this immediate time.
