Project 67

Trustees' Report

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 30 April 2024.

Objectives and activities

Objects and aims

Project 67 is committed to the promotion and protection of good health and the relief and rehabilitation of men and women whose lives have been impacted by drug and alcohol addiction. We strive to achieve this by providing:

- A safe, structured, and sober living environment.
- An opportunity to engage in a 12-month recovery programme that fosters independence, supports the maintenance of an addiction-free lifestyle, and empowers individuals to regain control of their lives.
- A range of activities, personal development workshops, and training sessions designed to enhance emotional, physical, psychological, and spiritual well-being.
- Ongoing support through safe and appropriate therapeutic interventions, helping individuals reconnect with and restore relationships with their families.
- Training, workshops, and volunteering opportunities to encourage and support individuals in re-entering education, finding employment, and successfully reintegrating into society.
- Assistance in securing permanent housing.

Objectives, strategies and activities

The men and women who reside at our Sober Living facility follow a structured daily routine, which includes regular teachings, educational programs, training days, and fitness activities. Ten residents of both the men's and women's homes attended the Fixed conference in Bolton, where they participate in seminars aimed at supporting their addiction recovery. 15 graduates also served on team.

We offer weekly sessions focused on life skills development and teachings that encourage residents to study the Bible and share testimonies about their recovery progress. These sessions help residents build confidence and improve their public speaking abilities.

They also have access to trauma counselling sessions from external providers.

The female residents take part in the Code Red Project, visiting individuals in hostels who are suffering from domestic violence twice a month and annually deliver a pamper day for sex workers. This initiative provides encouragement and gifts.

Residents participated in online VETI training, earning recognised credits that contribute towards their entry into Bible college.

All residents are committed to volunteering on Sunday's and midweek events, developing friendships and support outside of the homes.

Project 67

Trustees' Report

Key achievements (2023-2024)

- There have been ten graduates this year.
- The women's home, which opened in December 2021, currently has one female resident and the men's home has six residents at present.
- We successfully applied for several grants, which helped fund the salaries of our support workers and provide training for residents.

Grants

The following grants have been received for general funding:

- SMB Trust £2,000
- P27 Trust £5,000

The following restricted grants have been received

Salaries of support workers

- National Lottery Community Fund £20,000

Refurbishment of the Sober Living facility

- Barnabus Trust £2,000
- B&Q Foundation £3,000
- Souter Foundation £3,000 in prior year

Public benefit

The charity recognises its obligation to demonstrate that its purposes are for the public benefit. The trustees confirm that they have adhered to section 17 of the Charities Act 2011 and have given due consideration to the public benefit guidance published by the Charity Commission for England and Wales.

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Financial review

During the year, income of £99,941 (2023: £74,348) was received. Expenditure during the year was £91,328 (2023: £74,446).

Principal funding sources

The charity relies on rental income from residents as its principal source of funding. Income from charitable activities amounted to £61,430 (£2022: £64,290).

Policy on reserves

The Trustees have considered the level of reserves they wish to retain appropriate to the charity's needs. This is based on the Charity's size and the level of financial commitments held. The Trustees aim to ensure the Charity will be able to continue to fulfil its charitable objectives even if there is a temporary shortfall in income or unexpected expenditure. The Trustees will endeavour not to set aside funds unnecessarily.

Project 67

Trustees' Report

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity. Should Project 67 find themselves in need of financial assistance in the future, Victory Outreach Manchester are willing to provide the necessary support.

Structure, governance and management

Organisational structure

There is a Board of Trustees who meet regularly to make strategic decisions. The Trustees have delegated the responsibility of overseeing the day-to-day operations of the charity to the charity's management team. As the charity grows, capacity is being enlarged with experts in finance and administration.

Statement of trustees' responsibilities

The trustees (who are also the directors of Project 67 for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

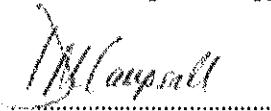

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including its income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards, comprising FRS 102 have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records that can disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

The annual report was approved by the trustees of the charity on 10 March 2025 and signed on its behalf by:

D Campsall
Trustee

Project 67

Independent Examiner's Report to the trustees of Project 67 ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 30 April 2024.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

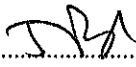

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of Project 67 as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Project 67

Notes to the Financial Statements for the Year Ended 30 April 2024

1 Charity status

The charity is a charitable incorporated organisation.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)) (issued in October 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Basis of preparation

Project 67 meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

Exemption from preparing a cash flow statement

The charity has adopted Bulletin 1 published on 2 February 2016 and have therefore not included a cash flow statement in these financial statements.

Income and endowments

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received, and the amount of the income receivable can be measured reliably.

Donations and legacies

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity, and it is probable that these conditions will be fulfilled in the reporting period.

Grants receivable

Grants are recognised when the charity has an entitlement to the funds and any conditions linked to the grants have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as deferred income to be released.

Project 67

Notes to the Financial Statements for the Year Ended 30 April 2024

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings, they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Raising funds

These are costs incurred in attracting voluntary income, the management of investments and those incurred in trading activities that raise funds.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Governance costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees' meetings and reimbursed expenses.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Tangible fixed assets

Individual fixed assets costing £500.00 or more are initially recorded at cost.

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Fixtures and fittings	10% straight line
Motor vehicles	25% straight line

Project 67

Notes to the Financial Statements for the Year Ended 30 April 2024

Trade debtors

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the receivables.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Trade creditors

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the charity does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustee's discretion in furtherance of the objectives of the charity.

Restricted income funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.

Project 67

Notes to the Financial Statements for the Year Ended 30 April 2024

The specific purposes for which the funds are to be applied are as follows:

The National Lottery Community Fund is funding salary costs of workers at a supported living project.

During the current year and prior year, funds were received to be used for the refurbishment of the sober living homes.

Other restricted funds were received in the current and prior years to pay for a Christmas Meal. Also included in 'other restricted funds' are donations to be used in supporting one of the graduates from the homes in further studies. At the year end, the balance to be used for this purpose was £213.

The charity received funds in the prior year with a restriction that the funds must be used for mental health and addiction mentoring.

Funds were donated to the charity in the prior year for 'Code Red' to meet travel expenses.

Project 67

Notes to the Financial Statements for the Year Ended 30 April 2024

17 Related party transactions

During the year the charity made the following related party transactions:

Victory Outreach Manchester

In November 2020, this Charitable Incorporated Organisation (CIO) was registered which took on the responsibilities of the homes (Sober Living Facilities) from Victory Outreach Manchester (Reg Charity No 1167670) with all assets and liabilities relating to the homes transferred to the charity. E Curtis, a trustee of this charity, is employed by Victory Outreach Manchester.

During the year, Victory Outreach Manchester gave a donation of £4,088 (2023: £3,505) towards the running costs of the charity during that period.

During the year, Project 67 paid rent of £9,900 (2023: £809) to Victory Outreach Manchester. Rent for the remainder of the year was waived. Victory Outreach Manchester has paid costs on behalf of Project 67, including utility and telephone bills, bookkeeping fees and wages. The charity has reimbursed Victory Outreach Manchester for some of these costs.

Included in other debtors at the year end is an amount of funding received by Project 67 which is held by Victory Outreach Manchester on behalf of Project 67 totalling £14,680 (2023: £nil). At the balance sheet date the amount due to/from Victory Outreach Manchester was £Nil (2023 - £Nil).
