Purposes and Objectives

Femelle Soul is a Christian Charity. Our purposes are the advancement of the Christian faith, by means of writing blogs, sharing videos and hosting events of an evangelistic and teaching nature, aimed specifically at women.

Our objectives are to:

- Give female Christian writers, bloggers, and artists a platform to share their work
- Publish and release content that helps the public understand the message and the teachings of Jesus Christ
- Raise awareness about the primary teaching of Jesus, spreading His love and peace to the public

Activities and Achievements for the financial period

1. **Online Blogs and Articles**

Femelle Soul has built a strong catalogue of online articles to inspire and encourage Christian women to grow deeper in their faith. These resources provide great benefit to those who do not have access to such materials in their local church or community. Femelle Soul also invites contributors from across the globe to write articles, in so doing encouraging others to contribute to the work of the charity. Topics have included:

- Dealing with unanswered prayers
- Things to consider when looking for a new church
- The Christian walk and obedience
- Dealing with insecurities as a Christian woman
- Love as a command
- Importance of evangelism

2. **Use This Gospel – Virtual Event**

Femelle Soul

We host Christian events for women in the UK. For Use This Gospel, we (virtually) gathered together to discuss evangelism. We spoke about the importance of taking action and sharing our faith, and how we can all play a part to lead others to *Christ.* We covered the below topics:

- What is the gospel?
- What is evangelism and how can we do it effectively?
- How can I overcome fears and obstacles to evangelism?
- How can I integrate sharing the gospel into my daily life?

3. **Soul Sessions – Instagram Live Events**

We hosted a range of Instagram lives titled 'Soul Sessions', which were candid conversations between Christian women, discussing a range of topics including:

- Faith, music, and purpose
- Church hurt and healing
- Pursuing creative/entrepreneurial interests as a Christian
- Managing meaningful relationships
