Achievements and Performance

Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	The CIO was formed in 2020, primarily to take over the administration of the annual Nedbank South African Charity Golf Day from a previously formed community interest company (SACGD CIC). Due to the Covid pandemic, the golf day did not take place during the period under review in this annual report and therefore the South Africans in Need Trust was not active during this period. After the period end, the charity administered the staging of the 2022 edition of the Nedbank South African Golf Day.
