Providing Half Term activities for children to keep them engaged and off the streets. Gold House Hope For All is a grassroots charity registered with the Charity Commission, created to provide a longterm lifeline to people in the community in need of assistance in whatever area of life. Our aim ls to equip families with resources to bridge the gap between marginalised and disenfranchised members of the community. We aim to minimise economic distress and social exclusion especially in these uncertain times. We do door to door food deliveries to the elderly or immobile. We review our aims and objectives yearly to guarantee we are meeting the needs of our community. We also work voluntarily as advocates for the Windrush Documentation and Compensation scheme. We have been funded on the foodbank £16490 from Liverpool HAF, Morrisons foundation £9000, Feeding Liverpool £7340, MPAC £2990 for HAF playscheme, donations £3000 and we have a subscription with

Fareshare, also we get overflow food from Tescos, Asda and Greggs through the scheme. Our activities and Our Services: The HFA food support is a scheme provided by for the benefit of local communities. The scheme Is intended to provide a longer-term life-line food initiative beyond existing Food-Bank facilities; and Is available on an all-inclusive basis at no cost to the public. The project will have a greater potential for improving the lives of all who participate in the program, it will help address problems of physical and economic access to food, and will serve as part of a wider strategy to improve health.

The project is designed to support homelessness and social exclusion In the Kensington and Fairfield local communities, by using the medium of good food to improve the lives of the most socially excluded, and to promote a more inclusive community. We intend to extend the life line service toother deprived and socially exclusive communities in Merseyside and beyond. Gold house Hope For all currently operate a FareShare food project that delivers good quality surplus food to the charity group working with the homeless and socially exclusive groups in the communities. For the most vulnerable members of these communities, Distribution services are done once every week to elderly, and immobile. We also provide a free grocery service and household support service for older people who are unable to do their own weekly shopping or carry out certain household tasks because of ill-health, frailty, or disability. This is aimed to support older people to live independently in their own homes and communities for as long as possible, and to positively impact their mental wellbeing through increased social contact. HFA is also engaged in the distribution of hot drinks and warm clothes to the homeless and people with low income in these communities, and across to the City centre of Liverpool since 2017. The cost of food is subsidised by FareShare, all other cost and expense including distribution cost is borne by members of the church through voluntary donations contributions to support the charity.
