Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The prevention or relief of poverty and financial hardship for the benefit of the public through:

- Providing or assisting in the provision of items or services to individuals or communities in poverty
- Raising awareness of poverty and financial hardship by educating and informing the wider community on poverty and the impact it has in the UK and globally. This will be done using a range of difference approaches for example (but not limited to) social media platforms, social and fundraising

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

events that the charity organise to raise donations and through the website for Poverty Pound.

- Organising charity fundraisers to raise money through donations. The money raised will be used to provide essential items and aid those in poverty.
- Adapting to the ever changing social and economic climate and address the needs of the community at that relevant time.

At the forefront of our planning was the importance of public benefit and helping reach out to those that need our support.

The tagline and our USP is: Unite. Support. Provide. The message is simple and clear that we should all unite to help tackle poverty in society. The support and donations will help us achieve our objectives and reach out and aid more people that need help. We will be able to provide support and improve the lives of others.

Due to the pandemic, we were unable to carry out public fundraising events, so instead like many others, we focused our efforts on online fundraising events. During the tough period, we found this to be useful and beneficial for people to come together and be more positive. It helped us to raise awareness of the new charity and raise donations for the cause.

With the funds raised, we were able to provide food hampers to families in the local community. The families were referred based on their financial backgrounds, needs and circumstances. We always prepared winter packs and these were distributed in London.

Volunteers undertook DBS checks and supported our efforts in preparing and distributing the packs prepared.

Throughout, we would source the items ourselves, collate, pack and distribute.
