------------------	----------------------------------

Summary of the objects of the charity set out in its governing document

The object of the CIO is the advancement of education for the public benefit through the provision of support to Central Foundation Boys’ School and its pupils, including (without limitation) through the support of the maintenance, enhancement or improvement of facilities, resources and educational opportunities at the School

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

During the period the Charity did not commence activities other than the holding of Board meetings in preparation for commencement. A small initial donation was received at the very end of the financial year.

The trustees confirm that they comply with their duty under section 17 of the Charities Act 2011 to have due regard to the guidance on public benefit published by the Charity Commission when exercising any powers or duties to which the guidance is relevant.
