THE GEORGE FAMILY FOUNDATION

TRUSTEE'S REPORT FOR THE YEAR ENDED 31 MARCH 2025

The Trustees present their report and financial statements for the year ended 31 March 2025.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Objectives and activities

The charity's objects are to advance such exclusively charitable purposes by making grants and donations to individuals and organisations at such time or times and in such manner as the Trustees, in their complete discretion think fit.

The Trustees have complied with their duty to have due regard to Public Benefit guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Grant making policy

The Trustees welcome applications or requests for funding. There is no formal application process. The Trustees meet twice a year to consider the merits of applications submitted to the Foundation and to make awards if appropriate which are in line with the objectives of the Foundation.

Achievements and performance

A total of thirty five grants (2024: thirty four) and donations totalling £196,000 (2024: £267,200) were agreed during the year. Further details of these grants can be found in note 5.

Financial review

The results for the year are shown on page 4. The Trustees consider the results for the year to be satisfactory.

The principal funding source during the year was a donation of £175,000 (2024: £150,000).

As noted above, during the year the Trustees awarded thirty five grants and donations totalling £196,000 to a variety of worthy causes. Of this £196,000, £72,000 has been pledged in future years. Total expenditure for the year was £198,850 (2024: £271,373) leaving net liabilities as at 31 March 2025 of £88,687 (2024: £64,837). The grants payable in future years will be funded by donations received in future years. Although the charity currently has net liabilities the Family Trustees control the corporate donor so the Trustees are confident these future donations will be received.

The Trustees have decided that holding reserves is unnecessary as they will only distribute income as donations or grants to the maximum available in any given year. Any undistributed funds at the year end are rolled over and held to be applied in furtherance of the Foundation's charitable objectives in a future year.

Plans for future periods

The charity will continue to distribute funds in line with the grant making policy as the Trustees see fit.

Structure, governance and management

The Foundation was established under a trust deed dated 25 August 2020 and is a registered charity, number 1192385.

THE GEORGE FAMILY FOUNDATION

TRUSTEE'S REPORT FOR THE YEAR ENDED 31 MARCH 2025 (CONTINUED)

The trust deed defines two types of Trustee:

- a. A 'Family Trustee', being M F George, M D George and any relative of either M F George or M D George; and
- b. An 'Independent Trustee', being any Trustee who is not a Family Trustee.

The trust deed provides for a minimum of 2 Trustees, one of whom must be a Family Trustee. At least one-third of the Trustees must be Independent Trustees. Apart from the first Trustees (M F George, M D George and S L Large) every Trustee must be appointed by a resolution of the Trustees passed at a special meeting.

The Trustees who served during the year and up to the date of signature of the financial statements were:

Mr M F George
Mr M D George
Mrs S L Large

The Trustees' report was approved by the Trustees on 19 November 2025 and signed on their behalf by:

Mr M F George

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE GEORGE FAMILY FOUNDATION

I report to the Trustees on my examination of the accounts of The George Family Foundation "the charity" for the year ended 31 March 2025, which are set out on pages 4 to 9.

Responsibilities and basis of report

As the Trustees of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145 (5)(b) of the Act.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me reasonable cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of financial statements set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the financial statements give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

THE GEORGE FAMILY FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2025

1. Accounting policies

Charity information

The George Family Foundation is a UK registered charity governed by a trust deed dated 25 August 2020. The principal activity of the charity is the payment of grants and donations to individuals and organisations at such time or times and in such manner as the Trustees, in their complete discretion think fit.

1.1. Accounting convention

The financial statements have been prepared in accordance with the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The charity is a Public Benefit Entity as defined by FRS 102.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2. Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for at least twelve months from the date of signing the financial statements as the Trustees only make grants and donations and spend funds when they are available. Grants payable in future years will be funded by donations received in future years. The Family Trustees control the corporate donor so the Trustees are confident these future donations will be received. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3. Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

1.4. Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

1. Accounting policies (continued)

1.5. Expenditure and liabilities

Liabilities are recognised as soon as there is a legal or constructive obligation which commits the charity to the expenditure.

Charitable activities include expenditure associated with grant making and include the direct costs, support costs and governance costs relating to these activities.

2. Critical accounting estimates and judgements

In the application of the charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

There are no critical accounting estimates or judgements made in the application of the charity's accounting policies.
