TRUSTEES REPORT
FOR THE YEAR ENDED 31ST DECEMBER 2023

Objectives

The charity is focussed on preserving, developing and promoting British-Jewish choral heritage, bringing this unique music to audiences of all backgrounds across the UK and beyond. This to be done through the medium of live performances, recordings, films, commissioning of new music, and education programmes, with a view to creating better understanding about Jewish culture and religion.

Activities

Mosaic Voices is in its third year as a registered charity, and that period included delivery of live sacred services at least once per week at its home synagogue, the historic New West End Synagogue in Bayswater, London. These included the High Holyday services for Jewish New Year and Day of Atonement services, which reached several hundred members of the community as well as many visitors from the UK and overseas.

Filming began for the *Psalms* project, which is conceived as an album and a stand-alone musical film exploring what unites us in an increasingly divided world. Filmed in the UK's most iconic and spiritual locations, including Glen Coe, Hadrian's Wall, the Peak District, and Neolithic stone circles, and performed in Hebrew, Yiddish, Welsh, Gaelic, Irish and English dialects, this 35-minute, entirely a capella cinematic journey shows how ancient Jewish themes resonate with modern day life. From our Resident Composer Benjamin Till and performed by Mosaic Voices, together with leading British female folk artists. The film will be premiered in London in early 2024 and toured around the UK as part of the UK Jewish Film Festival 2024. It is expected to reach many thousands of viewers and listeners.

Mosaic Voices musical content online, which is available for free mostly on YouTube, received 7,759 views and the channel has 531 regular subscribers. In January 2023, Mosaic Voices released a new music video of *Adon Olam (Scarborough Fair)* and in March 2023, a new music video for a setting of a *Mechalkeil* by Benjamin Till.

For the period of 2023, Mosaic Voices' Musical Director was Michael Etherton (also its Founder) and its Composer in Residence was Benjamin Till.
