

Woolwell In Bloom Annual Report

AGM Held on 21 November 2025

This year we have been very lucky with our fund raising events, donations and grants.

We have been very successful again with our entry into Southwest in Bloom, gaining Gold for a second year. A few of us attended the awards ceremony where we listened to some very inspiring talks.

We continue to have support from our local Parish Council for our projects but sadly nothing in the way of a monetary donation.

A few of us attended the RHS seminar in March, where we gained some knowledge and some new ideas.

We celebrated our success for 2024 with the Woolwell Centre hosting a community party in the spring which was well attended by the local residents.

We were also awarded a certificate by South Hams District Council in recognition our work in supporting the environment within our community.

Our annual insurance has increased by £5.

In January 2025 we started a junior bloomer section which has been very successful, especially on judging day when the juniors dug up their potatoes in front of the RHS Judges.

With no major projects this year, we focused on keeping the displays looking lovely which was especially challenging during a very dry and warm spring and summer.

Soraya Lewis-Coleman

Chairperson

WOOLWELL IN BLOOM ANNUAL ACCOUNTS 01/11/2024-31/10/2025

	£	£	£
