The Alexander Technique Congress Association

Annual Report 2024

The activities of the Alexander Technique Congress Association (ATCA) in 2024 were mainly concerned with preparations for the 2025 Dublin Congress. This included finalising a Code of Conduct/Guidelines and a ATCA Nondiscrimination/Anti-Harassment Policy and Complaint Procedure. Main expenses for the year was for the development of the ATCA website and the registration of domain names. There are also preparations underway to make past Congress Papers available as downloadable PDFs. Although ATCA's website is live, there are still some glitches and missing features, and the website will not be announced until these are sorted out.
