

Report of the Trustees of The Dell Cherian Charity

(Registration number: [1192475](#))

for 06/04/2024 - 05/04/2025

Objectives and activities:

The primary object of the CIO is the conservation of the environment in England for the public benefit by the purchase, maintenance and operation of a nature reserve in Kent for the preservation of biodiversity and the mitigation of climate change.

Achievements and performance:

Funds were insufficient for the purchase of a nature reserve.

The website was maintained: <https://dcc.living-well.uk/>

Financial review:

The Charity continued to receive funds from donors during the year.

The total reserve as of 5/4/24 was £ 87,144.19, insufficient for the purchase of a nature reserve.

This was invested in a savings account run by United Trust Bank, paying a competitive interest rate.
