Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	In January 2022 the charity received its first fund from action together at £2000 and were able to provide woodwork and diy skills to over 45 children and young adults. this allowed us to purchase wood and glue and other educational resources to enrich the quality of the skills we wished to provide. We hope to secure more funding in the future to make this available to other members of the community. we were also able to secure a free space from the strand community hub and this allowed for an extra 15 students to benefit from the woodwork skills. they learned to make a tool box and wooden hockey game and they learned how to use various power tools safely. enabling them to build on this new found skill.
