The trustees regularly review the charity's key operational and financial risks to ensure the effective delivery of its charitable objectives.

Key areas monitored include:

- **Financial sustainability** – Monitoring donation income and managing expenditure within the charity's budget.
- **Safeguarding** – Maintaining appropriate safeguarding policies and procedures for children and vulnerable adults during church activities.
- **Operational continuity** – Ensuring ministry activities can continue effectively, including the availability and maintenance of church-owned equipment.
- **Compliance** – Meeting the charity's legal obligations under the Charities Act, maintaining accurate financial records, and submitting required annual returns.
- **Volunteer support** – Ensuring sufficient volunteers are available and appropriately supported to deliver church ministries safely and effectively.

Use of Rented Premises

As the charity operates from rented premises, the landlord is responsible for the maintenance and structural safety of the building. The trustees work with the landlord to ensure that the premises remain suitable for worship services and other church activities and that any issues affecting the charity's use of the facilities are reported promptly.

How We Manage These Risks

- Regular trustee meetings and financial reviews.
- Annual review of safeguarding policies.
- Monitoring of income and expenditure against budget.
- Appropriate insurance for the charity's activities and assets.
- Good communication with the landlord regarding the condition and availability of the premises.

Independent Examiner's Report to the Trustees of Kingdom of God Global Ministries

I report to the charity trustees on my examination of the accounts of Kingdom of God Global Ministries (the Charity) for the year ended 31 October 2025.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 (the Act).

I report in respect of my examination of the Charity's accounts carried out under section 145 of the Charities Act 2011 and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that, in any material respect:

- accounting records were not kept in accordance with section 130 of the Charities Act 2011; or
- the accounts do not accord with the accounting records; or
- the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view', which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
