We do this by employing experienced, well qualified and highly competent Pre-School Managers and a team of talented Early Years Educators, who together provide opportunities for all children to learn, develop, stay safe and healthy. We are guided by the needs and interests of our children and continue to deploy a key person approach to ensure the progress and well-being of individual children is carefully monitored. We provide our staff with regular training and maintain a stimulating learning environment. We listen to the views of children, parents and staff and use feedback to inform our improvement work. We accurately assess our children and develop positive relationships with our stakeholders. We value all children as individuals, we celebrate diversity, and we help the children in our care to be happy and healthy. We have policies and procedures in place for all aspects of our work including safeguarding, child protection and health and safety.
