

Trustees' Annual Report for the period 1st April 2023 to 31st March 2024

Charity name: **Colne Youth Action Group ("CYAG")**

Charity registration number: **1192629**

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	To advance in life and help young people living in Colne and the surrounding areas through: (1) the provision of recreational and leisure time activities in the interest of social welfare, designed to improve their conditions of life; and (2) providing support and activities which develop their skills, capacities and capabilities to enable them to participate in society as mature and responsible individuals.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	CYAG's open access and simple membership model enables young people, aged 10-16, to engage in a wide range of activities, facilitating mixing with peers from other schools and backgrounds, and interaction with inspirational adults who teach skills, personal development or simply provide someone to talk to. We have sought, from the very beginning, to avoid being a club for young people who are in trouble and in this we have wholly succeeded. Only a small number of young people are actually, or at risk of being, in trouble and requiring specialist input from police and schools. The majority of young people are bystanders, bored or lonely. Our approach with this group is to distract and engage them by simply giving them things to do. Hence our rolling/ad hoc programme of football, cricket, horticulture, pizza making, boot camp, drama, theatre trips, martial arts, forest school, cycling, bike maintenance, floristry, canoeing and kayaking, and traditional youth clubs. CYAG uses the money raised to fund and support such activities, buying services and equipment so young people can have a go.

Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The trustees confirm that we have had regard to the guidance issued by the Charity Commission on public benefit.

	SORP reference	
Contribution made by staff, volunteers and activity providers	Para 1.38	The role of CYAG's staff, volunteers and activity providers is to provide support, challenge and encouragement to our young people, as well as stability and continuity. This allows them to achieve personal success and builds confidence, as well as respect for other young people and for adults. We recognise the added value that volunteers bring and the time they give to CYAG. We aim to have a mutually beneficial relationship with them so that their involvement develops our activities and our young people, whilst they learn skills and achieve personal development and satisfaction through their volunteering.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	CYAG was initially set up to tackle anti-social behaviour (ASB) in Colne and the villages after a huge spike after the first Coronavirus lockdown. We are more than a youth club as our range of activity locations and our partner network are very broad. CYAG continues to have an advantageous effect on Colne's diminishing ASB, as acknowledged by the Neighbourhood Police Team via social media and in meetings, such as the Community Safety Partnership. Our team works independently and with the Police on detached work in higher-risk ASB areas around North Valley and the Town Centre. We offer the Holiday Activities with Food programme in school holidays and our sessions are the best attended in the Borough and our assessment scores are the highest. CYAG is recognised as a prime mover in tackling ASB and boredom and in providing young people with opportunities to develop skills. We engage with dozens and dozens of young people each week and, by deploying enriching activities, giving access to inspirational adults, providing stability,

		listening and having a multi-agency approach, we are succeeding in our aims. Many young people report feeling physically and mentally fitter, more confident and better at social engagement. We receive similar feedback from parents, especially in respect of getting some physical activity in the fresh air and getting children away from technology. Just about everyone in Colne and the Villages knows about CYAG and our social media (@colneyag on Facebook, X and Instagram) and website (www.cyag.org) have enormous reach locally, with thousands regularly reading posts and visiting the site. As a result of our local fame, we are continually offered new opportunities and new funding streams. In July 2022, we signed a 30-year lease with Lancashire County Council for the former Youth Club building on Byron Road, Colne. This is the CYAG Youth Hub, alongside the continuing outreach activities in other facilities and clubs around the area. Much of late 2022, all of 2023 and early 2024 has seen extensive renovation of the Hub, transforming it into a well-resourced facility for young and older people to use. The Trustees thank the main grant funders (UK Shared Prosperity Fund from the Government's Levelling Up programme, and the Lancashire Environmental Fund) for providing funds alongside our other fundraising activities. In conclusion, CYAG plugs the gap by providing resources, activities (sometimes with food) and opportunities that many families in Colne and the Villages could not afford, along with our staff and volunteers providing inspiration, enthusiasm and continuity.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	In our third operating period from 1st April 2023 to 31st March 2024, we raised funds of £226k donated from a range of councils, businesses and people, and a further £27k from young people's subs and providing holiday services. Key donors were the UKSPF (£130k in the year for renovation capex and associated running costs as part of a total grant of £190k over three years), the Police & Crime Commissioner (£10k for targeted
---	-----------	--

		outreach), and the Colne Area Committee of Pendle Borough Council (£6k for a range of equipment for activities). Whilst none of our Trustees are paid for those roles, Sarah and David Cockburn-Price provided a total of £72k of professional services including accounting, administration, business development, and raising funds through grant applications and other methods for the Charity, but were only paid £15k. Our expenditure on charitable activities totalled £45k, including taking on new permanent staff, with £31k on property costs and general overheads. Investment in fixed assets totalled £97k, mainly on our Youth Hub. Our solar array delivers significant savings and carbon reductions (we just need more sunshine in East Lancashire!) and our marmoleum flooring also boosts our environmental credentials. Our new kitchen has proved a game-changer and we can now cater to our hungry young people very efficiently. At the year-end, total reserves had grown from £104k to £182k. The restricted funds of £151k mainly relate to fixed assets, with unrestricted funds of £31k able to be carried forward to support the activities we are putting on now and into the future at our Youth Hub and as part of our outreach work.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	Reserves are held to invest in specific activities or resources, if they are restricted. Unrestricted funds are also used to support activities and are being built up to help resource the new Youth Hub, once repair and upgrade works have been completed.
Amount of reserves held	Para 1.22	Restricted reserves totalled £151k, of which £120k had been invested in fixed assets to support a range of activities. Unrestricted reserves totalled £31k, spread across a range of fixed assets and net current assets, mainly cash.
Reasons for holding zero reserves	Para 1.22	N/a
Details of fund materially in deficit	Para 1.24	N/a
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	Like all people experiencing inflation, especially around utility costs, CYAG will need to be mindful of the cost of running the Youth Hub. Additional grants will be sought to support our activities.

Structure, Governance and Management

Description of charity's trusts:		
Type of governing document	Para 1.25	CYAG has a Constitution dated 11 th November 2020
How is the charity constituted?	Para 1.25	As a Charitable Incorporated Organisation (CIO)
Trustee selection methods including details of any constitutional provisions e.g. election to post or name of any person or body entitled to appoint one or more trustees	Para 1.25	Selection of individuals for appointment as charity trustees is done with regard to the skills, knowledge and experience needed for the effective administration of CYAG. Every trustee must be appointed by a resolution passed at a properly convened meeting of the charity trustees.

Additional information (optional)

Policies and procedures adopted for the induction and training of trustees	Para 1.51	New trustees will be provided with information on the Constitution, the latest annual return and accounts, the latest business plan, CYAG's policies and be given a full briefing on our ethos, aims, activities and resources. Any other information will be provided if requested and any training required will be arranged.
The charity's organisational structure and any wider network with which the charity works	Para 1.51	The trustees, volunteers and other supporters (see below) collectively operate as a "Management Group" and update calls are usually held quarterly. Although we lost our first employee last year to progress a career in education, she continues to help CYAG with activities. In early 2023/24, we took on a new full-time employee and a part-time employee. We are actively and continually looking for additional staff and volunteers with experience and enthusiasm now that we have opened the Youth Hub fully. Our multi-agency ethos includes working with the Police, the three secondary schools, the six primary schools, numerous activity providers, Pendle Borough Council, Lancashire County Council, Colne Town Council, Trawden Parish Council, Foulridge Parish Council, Laneshawbridge Parish Council, the Colne BID, Positive Action in the Community, the Blackburn Youth Zone, XLCR, David Fishwick, Together Newground, Pendle Youth Forum and the Pennine Education Trust.

Income from membership subscriptions	Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies. Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.
Settlement of insurance claims	Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP) and are included as an item of other income in the SoFA.

2.3 EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice. Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.
Redundancy cost	The charity made no redundancy payments during the reporting period.
Deferred income	No material item of deferred income has been included in the accounts.
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 11.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.
