Constitution, objectives, policies and public benefit:

The Charity is governed by a constitution and its objectives are:

(a) The advancement the Jewish religion for the benefit of the public, including through communal prayers, lectures, and celebration of festivals.

(b) Provision of education to adults and children in the heritage, culture and language of Judaism.

(c) Provision of welfare and social support for Jewish people, especially those who are socially excluded.

We have an open door policy for all our activities welcoming both members and people with no affiliation. Further details of our activities for the benefit of the public particularly in the area of community cohesion can be found later in this report.

The policy of the Charity continues to be to seek additional finance and support in order to enable it to continue and expand its objectives and activities.

The Charity’s main sources of income are from members’ donations and grants received from charitable trusts.

Fund Raising

The charities fundraising is primarily carried out by the Rabbi, through direct approaches to individuals and other charitable trusts. In 2023, the fundraising objectives were met. No complaints were received about the nature of fundraising carried out on behalf of the Charity.

The Trustees are grateful to all the benefactors whose generous contributions remain an important element in the ability of the charity to continue its work.

Changes in policy:

The Charity's policies have remained the same throughout the year.

Organisational structure and Management of the Charity:

The Management of the Charity is vested in the trustees, comprised of three members elected for a period of nine years. The trustees have experience in a wide variety of fields and posses a broad range of knowledge and expertise that is of great help in the management of our affairs.
The Trustees and the Rabbi meet regularly to discuss any relevant matters. The day-to-day management of the charity is delegated to staff.

Charity Governance Code:

The third edition of the code for charities was published in July 2017. The code lays out seven key areas of governance together with recommended practice for each principle. The Trustee have considered each principle to satisfy themselves that the Charity's current governance structure explained below satisfactorily addresses each of these principles and, where appropriate, what enhancements might be made.

Risk Management and Child Protection Policies:

The trustees have examined the major strategic, business and operational risks that the charity faces and confirm that systems have been established to enable regular reviews to be carried out so that the necessary steps can be taken to lessen these risks.

In particular, insurance cover is in place and the finances of the charity are kept under review. Appropriate Disclosure and Barring Service (DBS) checks, supported by regularly reviewed policies, are made for all those who work with children or other vulnerable groups. All volunteers who work with children or vulnerable adults undergo training and hold certificates confirming that they have received the level of training appropriate to their work.

The charity has appointed a suitably trained member of staff to act as Senior Safeguarding Officer for both children and vulnerable adults. All new employees and volunteers are given an induction into the charities policies and procedures and existing employees and volunteers all undertake an annual review of all policies that are applicable to them. Copies of all are policies are available on request,

Statement of Trustees' Responsibilities:

The Trustees are required under the Charities Act 1993 and the constitution of the charity to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of its results for the period. In preparing those financial statements the Trustees are required to:

(a) Select suitable accounting policies and apply them consistently.

(b) Make judgments and estimates that are reasonable and prudent.

(c) Prepare the financial statements on a going concern basis unless it is inappropriate to assume that the charity will continue in business.

(d) Prepare the financial statements in accordance with all applicable financial reporting standards, statements of standard accounting practice and charity statements of recommended practice.

Finances:

Our accounts are prepared on an income and a receipts and payments basis in line with the Charities Commission guidelines for small charities (income below £250,000).

As our main work is with an unaffiliated population, we do not rely on a membership for income, but on voluntary contributions and grants. Due to the increase in demand over time, we have increased our spending on personnel and venue costs to enable a greater impact. In line with this we launched out first ever crowdfunding campaign, which was very successful and demonstrated the impact that our work has had on a broad audience.

Area of Operation:

Chabad of Crouch End and West Haringey focuses on the Jewish populations of the western side of the borough of Haringey, primarily in the neighbourhoods of Crouch End, Muswell Hill, and Highgate. We open our activities to all-comers irrespective of whether or not they are formally affiliated with the community.

Review of Activities:

2023 was a year of growth and development. New area of activities were launched and new approaches taken to make inroads in new demographics.

We have continued to work in accordance with the stated aims of the charity, which are promoting Jewish worship, education, community welfare and social support. Our activities can broadly be divided into two categories. Those that service the religious and spiritual needs of our members and those of a cultural and social nature which on the whole are non-denominational and open to all-comers. Our community welfare and social support activities are non-denominational and are kept separate from the religious side of our activities.

The trustees have reviewed the objectives and activities of the charity to ensure they continue to reflect our aims. In carrying out this review the trustees have considered the Charity Commission’s general guidance on public benefit and in particular its supplementary public guidance on the advancement of religion for the public benefit.

INDEPENDENT EXAMINER'S REPORT
FOR THE YEAR ENDED 31 DECEMBER 2023

Independent examiner's report to the Trustees of Chabad of Crouch End and West Haringey ('the Charity')

I report to the charity Trustees on my examination of the accounts of the Charity for the year ended 31 December 2023.

Responsibilities and basis of report

As the Trustees of the Charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Your attention is drawn to the fact that the Charity has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2023

1. General information

Chabad of Crouch End and West Haringey was launched in Dec 2017, and was registered independently with the Charity Commission as a CIO on 08 December 2020 under registration number 1192714. The constitution was last updated and modified in December 2020.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Chabad of Crouch End and West Haringey meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

2.3 Expenditure

Expenditure on raising funds includes all expenditure incurred by the Charity to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

All expenditure is inclusive of irrecoverable VAT.

2.4 Tangible fixed assets and depreciation

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

2. Accounting policies (continued)

2.4 Tangible fixed assets and depreciation (continued)

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, .

Depreciation is provided on the following basis:

Fixtures and fittings	-	20%
Computer equipment	-	20%

2.5 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.6 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

2.7 Financial instruments

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.8 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.
